

## BROWNFIELD CLEANUP PROGRAM (BCP) APPLICATION FORM

DEC requires an application to request major changes to the description of the property set forth in a Brownfield Cleanup Agreement, or "BCA" (e.g., adding a significant amount of new property, or adding property that could affect an eligibility determination due to contamination levels or intended land use). Such application must be submitted and processed in the same manner as the original application, including the required public comment period. **Is this an application to amend an existing BCA?**

Yes

No

If yes, provide existing site number: \_\_\_\_\_

Is the requestor authorized to conduct business in New York State (NYS)? Yes No

- If the requestor is a Corporation, LLC, LLP or other entity requiring authorization from the NYS Department of State to conduct business in NYS, the requestor's name must appear, exactly as given above, in the [NYS Department of State's Corporation & Business Entity Database](#). A print-out of entity information from the database must be submitted to the New York State Department of Environmental Conservation (DEC) with the application, to document that the requestor is authorized to do business in NYS.

[See Attachment A for corporate resolution and member/owner names.](#)

Do all individuals that will be certifying documents meet the requirements detailed below? Yes No

- Individuals that will be certifying BCP documents, as well as their employers, meet the requirements of Section 1.5 of [DER-10: Technical Guidance for Site Investigation and Remediation](#) and Article 145 of New York State Education Law. **Documents that are not properly certified will be not approved under the BCP.**

#### Section II. Project Description

1. What stage is the project starting at? Investigation Remediation

2. If the project is starting at the remediation stage, a Remedial Investigation Report (RIR), Alternatives Analysis, and Remedial Work Plan must be attached (see [DER-10 / Technical Guidance for Site Investigation and Remediation](#) for further guidance).

3. If a final RIR is included, please verify it meets the requirements of Environmental Conservation Law (ECL) Article 27-1415(2): Yes No

4. Please attach a short description of the overall development project, including:

- the date that the remedial program is to start; and
- the date the Certificate of Completion is anticipated.

[See Attached Supplemental and Supporting Information Document \(pg 2\)](#)

### Section III. Property's Environmental History

All applications **must include** an Investigation Report (per ECL 27-1407(1)). The report must be sufficient to establish contamination of environmental media on the site above applicable Standards, Criteria and Guidance (SCGs) based on the reasonably anticipated use of the property.

To the extent that existing information/studies/reports are available to the requestor, please attach the following (**please submit the information requested in this section in electronic format only**):

1. **Reports:** an example of an Investigation Report is a Phase II Environmental Site Assessment report prepared in accordance with the latest American Society for Testing and Materials standard (ASTM E1903). See Attached Supplemental and Supporting Information Document (pg 4) for summary or Attachment B

### Supplemental Questions for Sites Seeking Tangible Property Credits in New York City (continued)

3. If you are seeking a formal determination as to whether your project is eligible for Tangible Property Tax Credits based in whole or in part on its status as an affordable housing project (defined below), you must attach the regulatory agreement with the appropriate housing agency (typically, these would be with the *New York City Department of Housing, Preservation and Development*; the *New York State Housing Trust Fund Corporation*; the *New York State Department of Housing and Community Renewal*; or the *New York State Housing Finance Agency*, though other entities may be acceptable pending Department review). **Check appropriate box, below:**

Project is an Affordable Housing Project - Regulatory Agreement Attached;

Project is Planned as Affordable Housing, But Agreement is Not Yet Available\*  
(\*Checking this box will result in a “pending” status. The Regulatory Agreement will need to be provided to the Department and the Brownfield Cleanup Agreement will need to be amended prior to issuance of the CoC in order for a positive determination to be made.);

This is Not an Affordable Housing Project.

#### From 6 NYCRR 375- 3.2(a) as of August 12, 2016:

(a) “Affordable housing project” means, for purposes of this part, title fourteen of article twenty seven of the environmental conservation law and section twenty-one of the tax law only, a project that is developed for residential use or mixed residential use that must include affordable residential rental units and/or affordable home ownership units.

(1) Affordable residential rental projects under this subdivision must be subject to a federal, state, or local government housing agency’s affordable housing program, or a local government’s regulatory agreement or legally binding restriction, which defines (i) a percentage of the residential rental units in the affordable housing project to be dedicated to (ii) tenants at a defined maximum percentage of the area median income based on the occupants’ households annual gross income.

(2) Affordable home ownership projects under this subdivision must be subject to a federal, state, or local government housing agency’s affordable housing program, or a local government’s regulatory agreement or legally binding restriction, which sets affordable units aside for home owners at a defined maximum percentage of the area median income.

(3) “Area median income” means, for purposes of this subdivision, the area median income for the primary metropolitan statistical area, or for the county if located outside a metropolitan statistical area, as determined by the United States department of housing and urban development, or its successor, for a family of four, as adjusted for family size.

INSTRUCTIONS FOR COMPLETING A BCP APPLICATION**

The New York State Department of Environmental Conservation (DEC) strongly encourages all applicants to schedule a pre-application meeting with DEC staff to review the benefits, requirements, and procedures for completing a project in the BCP. Contact your [Regional office](#) to schedule a meeting. To add a party to an existing BCP Agreement and/or Application, use the [BCP Agreement Amendment Application](#). **See guidance at the end of these instructions regarding the determination of a complete application.**

**SECTION I REQUESTOR INFORMATION**

Requestor Name

Provide the name of the person(s)/entity requesting participation in the BCP. (If more than one, attach additional sheets with requested information. If an LLC, the members/owners names need to be provided on a separate attachment). The requestor is the person or entity seeking DEC review and approval of the remedial program.

If the requestor is a Corporation, LLC, LLP or other entity requiring authorization from the NYS Department of State to conduct business in NYS, the requestor's name must appear exactly as given in the [NYS Department of State's Corporation & Business Entity Database](#). A print-out of entity information from the database must be submitted to DEC with the application, to document that the requestor is authorized to do business in NYS.

Address, etc.

Provide the requestor's mailing address, telephone number; fax number and e-mail address.

Document Certification

All documents, which are prepared in final form for submission to DEC for approval, are to be prepared and certified in accordance with Section 1.5 of [DER-10](#). Persons preparing and certifying the various work plans and reports identified in Section 1.5 include:

- New York State licensed professional engineers (PEs), as defined at 6 NYCRR 375-1.2(aj) and paragraph 1.3(b)47. Engineering documents must be certified by a PE with current license and registration for work that was done by them or those under their direct supervision. The firm by which the PE is employed must also be authorized to practice engineering in New York State;
- qualified environmental professionals as defined at 6 NYCRR 375-1.2(ak) and DER-10 paragraph 1.3(b)49;
- remedial parties, as defined at 6 NYCRR 375-1.2(ao) and DER-10 paragraph 1.3(b)60; or
- site owners, which are the owners of the property comprising the site at the time of the certification.

**SECTION II PROJECT DESCRIPTION**

As a separate attachment, provide complete and detailed information about the project, including the purpose of the project, the date the remedial program is to start, and the date the Certificate of Completion is anticipated..

**NEW YORK STATE  
DEPARTMENT OF ENVIRONMENTAL CONSERVATION**

**SECTION III**

**PROPERTY'S ENVIRONMENTAL HISTORY**

Please follow instructions on application form.

**SECTION IV**

**PROPERTY INFORMATION**

Proposed Site Name

Provide a name for the proposed site. The name could be an owner's name, current or historical operations (i.e. ABC Furniture) or the general location of the property. Consider whether the property is known by DEC by a particular name, and if so, use that name.

Site Address

Provide a street address, city/town, zip code, and each municipality and county in which the site is located. .

Site Size

Provide the approximate acreage of the site.

GIS Information

Provide the latitude and longitude for the approximate center of the property. Show the latitude and longitude in degrees, minutes and seconds.

Tax Parcel Information

Provide the tax parcel address/section/block/lot information and map. Tax map information may be obtained from the tax assessor's office for all tax parcels that are included in the property boundaries. Attach a county tax map with identifier numbers, along with any figures needed to show the location and boundaries of the property. Include a USGS 7.5 minute quad map on which the property appears and clearly indicate the proposed site's location.

1. Tax Map Boundaries

State whether the boundaries of the site correspond to the tax map boundaries. If no, a metes and bounds description of the property must be attached. The site boundary can occupy less than a tax lot or encompass portions of one or more tax lots and may be larger or smaller than the overall redevelopment/reuse project area. A site survey with metes and bounds will be required to establish the site boundaries before the Certificate of Completion can be issued.

2. Map

Provide a property base map(s) of sufficient detail, clarity and accuracy to show the following: i) map scale, north arrow orientation, date, and location of the property with respect to adjacent streets and roadways; and ii) proposed brownfield property boundary lines, with adjacent property owners clearly identified.

**NEW YORK STATE  
DEPARTMENT OF ENVIRONMENTAL CONSERVATION**

**SECTION IV (continued)**

3. En-zone

Is any part of the property in an En-zone? If so, what percentage? For information on En-zones, please see [DEC's website](#).

4. Multiple applications

Generally, only one application can be submitted, and one BCA executed, for a development project. In limited circumstances, the DEC may consider multiple applications/BCAs for a development project where 1) the development project spans more than 25 acres; 2) the approach does not negatively impact the remedial program, including timing, ability to appropriately address areas of concern, and management of off-site concerns; and 3) the approach is not advanced to increase the value of future tax credits (i.e., circumvent the tax credit caps provided under New York State Tax Law Section 21).

10. Property Description Narrative

Provide a property description in the format provided below. Each section should be no more than one paragraph long.

Location

Example: "The XYZ Site is located in an {urban, suburban, rural} area." {Add reference points if address is unspecific; e.g., "The site is approximately 3.5 miles east of the intersection of County Route 55 and Industrial Road."}

Site Features:

Example: "The main site features include several large abandoned buildings surrounded by former parking areas and roadways. About one quarter of the site area is wooded. Little Creek passes through the northwest corner."

Current Zoning and Land Use: (Ensure the current zoning is identified.)

Example: "The site is currently inactive, and is zoned for commercial use. The surrounding parcels are currently used for a combination of commercial, light industrial, and utility right-of-ways. The nearest residential area is 0.3 miles east on Route 55."

Past Use of the Site: include source(s) of contamination and remedial measures (site characterizations, investigations, Interim Remedial Measures, etc.) completed outside of the current remedial program (e.g., work under a petroleum spill incident).

Example: "Until 1992 the site was used for manufacturing wire and wire products (e.g., conduit, insulators) and warehousing. Prior uses that appear to have led to site contamination include metal plating, machining, disposal in a one-acre landfill north of Building 7, and releases of wastewater into a series of dry wells."

When describing the investigations/actions performed outside of the remedial program, include the major chronological remedial events that lead to the site entering a remedial program. The history should include the first involvement by government to address hazardous waste/petroleum disposal. Do not cite reports. Only include remedial activities which were implemented PRIOR to the BCA. Do not describe sampling information.

**SECTION IV (continued)**

Property Description Narrative (continued)

Site Geology and Hydrogeology:

As appropriate, provide a very brief summary of the main hydrogeological features of the site including depth to water, groundwater flow direction, etc.

Environmental Assessment

The goal of this section is to describe the nature and extent of contamination at the site. When describing the nature of contamination, identify just the primary contaminants of concern (i.e., those that will likely drive remedial decisions/actions). If there are many contaminants present within a group of contaminants (i.e., volatile organic compounds, semivolatile organic compounds, metals), identify the group(s) and one or two representative contaminants within the group. When addressing the extent of contamination, identify the areas of concern at the site, contaminated media (i.e., soil, groundwater, etc.), relative concentration levels, and a broad-brush description of contaminated areas/depths.

The reader should be able to know if contamination is widespread or limited and if concentrations are marginally or greatly above Standards, Criteria and Guidance (SGCs) for the primary contaminants. If the extent is described qualitatively (e.g., low, medium, high), representative concentrations should be given and compared with appropriate SCGs. For soil contamination, the concentrations should be compared with the soil cleanup objectives (SCOs) for the intended use of the site.

**A typical Environmental Assessment would look like the following:**

Based upon investigations conducted to date, the primary contaminants of concern for the site include cadmium and trichloroethene (TCE).

*Soil* - Cadmium is found in shallow soil, mostly near a dry well at the northeast end of the property. TCE is found in deeper soil, predominantly at the north end of the site. Concentrations of cadmium found on site (approximately 5 ppm) slightly exceed the soil cleanup objective (SCO) for unrestricted use (2.5 ppm). Concentrations of TCE found on site (5 ppm to 300 ppm) significantly exceed the soil cleanup objectives for the protection of groundwater (0.47 ppm).

*Groundwater* - TCE and its associated degradation products are also found in groundwater at the north end of the site, moderately exceeding groundwater standards (typically 5 ppb), with a maximum concentration of 1500 ppb. A moderate amount of TCE from the site has migrated 300 feet down-gradient off-site. The primary contaminant of concern for the off-site area is TCE, which is present at a maximum concentration of 500 ppb, at 10 feet below the groundwater table near Avenue A.

*Soil Vapor & Indoor Air* - TCE was detected in soil vapor at elevated concentrations and was also detected in indoor air at concentrations up to 1,000 micrograms per cubic meter.

**If any changes to Section IV are required prior to application approval, a new page, initialed by each requestor, must be submitted.**

**SECTION V**

**ADDITIONAL REQUESTOR INFORMATION**

Representative Name, Address, etc.

Provide information for the requestor's authorized representative. This is the person to whom all correspondence, notices, etc. will be sent, and who will be listed as the contact person in the BCA. Invoices will be sent to the representative of Applications determined to be Participants unless another contact name and address is provided with the application.

Consultant and Attorney Name, Address, etc.

Provide requested information.

**NEW YORK STATE  
DEPARTMENT OF ENVIRONMENTAL CONSERVATION**

**SECTION VI                      CURRENT PROPERTY OWNER/OPERATOR INFORMATION  
(IF NOT A REQUESTOR)**

Owner Name, Address, etc.

Provide requested information of the current owner of the property. List all parties holding an interest in the Property and, if the Requestor is not the current owner, describe the Requestor's relationship to the current owner.

Operator Name, Address, etc.

Provide requested information of the current operator (if different from the requestor or owner).

Provide a list of previous property owners and operators with names, last known addresses, telephone numbers and the Requestor's relationship to each owner and operator as a separate attachment

**SECTION VII                      REQUESTOR ELIGIBILITY INFORMATION**

As a separate attachment, provide complete and detailed information in response to any eligibility questions answered in the affirmative. It is permissible to reference specific sections of existing property reports; however, it is requested that such information be summarized. For properties with multiple addresses or tax parcels, please include this information for each address or tax parcel.

**SECTION VIII                      PROPERTY ELIGIBILITY INFORMATION**

As a separate attachment, provide complete and detailed information in response to the following eligibility questions answered in the affirmative. It is permissible to reference specific sections of existing property reports; however, it is requested that that information be summarized.

1. CERCLA / NPL Listing

Has any portion of the property ever been listed on the National Priorities List (NPL) established under CERCLA? If so, provide relevant information.

2. Registry Listing

Has any portion of the property ever been listed on the New York State Registry of Inactive Hazardous Waste Disposal Sites established under ECL 27-1305? If so, please provide the site number and classification. See the Division of Environmental Remediation (DER) [website](#) for a database of sites with classifications.

3. RCRA Listing

Does the property have a Resource Conservation and Recovery Act (RCRA) TSDF Permit in accordance with the ECL 27-0900 *et seq*? If so, please provide the EPA Identification Number, the date the permit was issued, and its expiration date. Note: for purposes of this application, interim status facilities are not deemed to be subject to a RCRA permit.

4. Registry / RCRA sites owned by volunteers

If the answer to question 2 or 3 above is yes, is the site owned by a volunteer as defined under ECL 27-1405(1)(b), or under contract to be transferred to a volunteer? Attach any information available to the requestor related to previous owners or operators of the facility or property and their financial viability, including any bankruptcy filing and corporate dissolution documentation.

**NEW YORK STATE  
DEPARTMENT OF ENVIRONMENTAL CONSERVATION**

**SECTION VIII (continued)**

**5. Existing Order**

Is the property subject to an order for cleanup under Article 12 of the Navigation Law or Article 17 Title 10 of the ECL? If so, please provide information on an attachment. Note: if the property is subject to a stipulation agreement, relevant information should be provided; however, property will not be deemed ineligible solely on the basis of the stipulation agreement.

**6. Enforcement Action Pending**

Is the property subject to an enforcement action under Article 27, Titles 7 or 9 of the ECL or subject to any other ongoing state or federal enforcement action related to the contamination which is at or emanating from the property? If so, please provide information on an attachment.

**SECTION IX                      CONTACT LIST INFORMATION**

Provide the names and addresses of the parties on the Site Contact List (SCL) and a letter from the repository acknowledging agreement to act as the document repository for the proposed BCP project.

**SECTION X                      LAND USE FACTORS**

In addition to eligibility information, site history, and environmental data/reports, the application requires information regarding the current, intended and reasonably anticipated future land use.

1. This information consists of responses to the "land use" factors to be considered relative to the "Land Use" section of the BCP application. The information will be used to determine the appropriate land use in conjunction with the investigation data provided, in order to establish eligibility for the site based on the definition of a "brownfield site" pursuant to ECL 27-1405(2).
2. This land use information will be used by DEC, in addition to all other relevant information provided, to determine whether the proposed use is consistent with the currently identified, intended and reasonably anticipated future land use of the site at this stage. Further, this land use finding is subject to information regarding contamination at the site or other information which could result in the need for a change in this determination being borne out during the remedial investigation.

**SECTION XI                      SIGNATURE PAGE**

The Requestor must sign the application, or designate a representative who can sign. The requestor's consultant or attorney cannot sign the application. If there are multiple parties applying, then each must sign a signature page.

**NEW YORK STATE  
DEPARTMENT OF ENVIRONMENTAL CONSERVATION**

**DETERMINATION OF A COMPLETE APPLICATION**

1. The first step in the application review and approval process is an evaluation to determine if the application is complete. To help ensure that the application is determined complete, requestors should review the list of [common application deficiencies](#) and carefully read these instructions.
2. DEC will send a notification to the requestor within 30 calendar days of receiving the application, indicating whether such application is complete or incomplete.
3. An application must include the following information relative to the site identified by the application, necessary for making an eligibility determination, or it will be deemed incomplete. **(Please note: the application as a whole requires more than the information outlined below to be determined complete).** The application must include:
  - a. for all sites, an investigation report sufficient to demonstrate the site requires remediation in order to meet the requirements of the program, and that the site is a brownfield site at which contaminants are present at levels exceeding the soil cleanup objectives or other health-based or environmental standards, criteria or guidance adopted by DEC that are applicable based on the reasonably anticipated use of the property, in accordance with applicable regulations. Required data includes site drawings requested in Section III, #3 of the BCP application form.
  - b. for those sites described below, documentation relative to the volunteer status of all requestors, as well as information on previous owners or operators that may be considered responsible parties **and** their ability to fund remediation of the site. This documentation is required for:
    - i. real property listed in the registry of inactive hazardous waste disposal sites as a class 2 site, which may be eligible provided that DEC has not identified any responsible party for that property having the ability to pay for the investigation or cleanup of the property prior to the site being accepted into the BCP; or
    - ii. real property that was a hazardous waste treatment, storage or disposal facility having interim status pursuant to the Resource Conservation and Recovery Act (RCRA) program, which may be eligible provided that DEC has not identified any responsible party for that property having the ability to pay for the investigation or cleanup of the property prior to the site being accepted into the BCP.
  - c. for sites located within the five counties comprising New York City, in addition to (a) and if applicable (b) above, if the application is seeking a determination that the site is eligible for tangible property tax credits, sufficient information to demonstrate that the site meets one or more of the criteria identified in ECL 27 1407(1-a). **If this determination is not being requested in the application to participate in the BCP, the applicant may seek this determination at any time before issuance of a certificate of completion, using the BCP Amendment Application, except for sites seeking eligibility under the underutilized category.**
  - d. for sites previously remediated pursuant to Titles 9, 13, or 14 of ECL Article 27, Title 5 of ECL Article 56, or Article 12 of Navigation Law, relevant documentation of this remediation.

**NEW YORK STATE  
DEPARTMENT OF ENVIRONMENTAL CONSERVATION**

**DETERMINATION OF A COMPLETE APPLICATION (continued)**

4. If the application is found to be incomplete:
  - a. the requestor will be notified via email or phone call regarding minor deficiencies. The requestor must submit information correcting the deficiency to DEC within the 30-day review time frame; or
  - b. the requestor will receive a formal Letter of Incomplete Application (LOI) if an application is substantially deficient, if the information needed to make an eligibility determination identified in #4 above is missing or found to be incomplete, or if a response to a minor deficiency is not received within the 30-day period. The LOI will detail all of the missing information and request submission of the information. If the information is not submitted within 30 days from the date of the LOI, the application will be deemed withdrawn. In this case, the requestor may resubmit the application without prejudice.
5. If the application is determined to be complete, DEC will send a Letter of Complete Application (LOC) that includes the dates of the public comment period. The LOC will:
  - a. include an approved public notice to be sent to all parties on the Contact List included with the application;
  - b. provide instructions for publishing the public notice in the newspaper on the date specified in the letter, and instructions for mailing the notice to the Contact List;
  - c. identify the need for a certification of mailing form to be returned to DEC along with proof of publication documentation; and
  - d. specify the deadline for publication of the newspaper notice, which must coincide with, or occur before, the date of publication in the Environmental Notice Bulletin (ENB).
    - i. DEC will send a notice of the application to the ENB. As the ENB is only published on Wednesdays, DEC must submit the notice by the Wednesday before it is to appear in the ENB.
    - ii. The mailing to parties on the Contact List must be completed no later than the Tuesday prior to ENB publication. If the mailings, newspaper notice and ENB notice are not completed within the time-frames established by the LOC, the public comment period on the application will be extended to insure that there will be the required comment period.
    - iii. Marketing literature or brochures are prohibited from being included in mailings to the Contact List.

## **Section I – Requestor Information**

The requestor is 201 Ellicott, LLC as noted.

201 Ellicott, LLC  
350 Essjay Road  
Williamsville, New York 14221  
Authorized Representative: Paul F. Ciminelli  
Email: [pciminelli@ciminelli.com](mailto:pciminelli@ciminelli.com)

As per the attached Member Certificate located in **Attachment A**, Paul F. Ciminelli is the Sole Member of Ciminelli Real Estate Ventures, LLC, which is the Sole Member of 201 Ellicott, LLC.

A New York State Department of State's Corporation & Business Entity Database printout and an executed corporate resolution from 201 Ellicott, LLC authorizing Ciminelli Real Estate Corporation to act as representative in the BCP application are located in **Attachment A**.

## Section II – Project Description

The Site (a portion of the 201 Ellicott Street property) consisted of various residential and commercial structures until they were demolished approximately 50 years ago or earlier. The Site has been used as an asphalt surface parking lot and has been vacant of any major structures since that time. Currently, the 201 Ellicott Street property consists of a 377-space asphalt surface parking lot. The only structures located at the property are a small National Fuel Gas regulator station and a single story guardhouse.

The City of Buffalo (City) has owned the Site since April 1963. During that time period, Buffalo Civic Auto Ramps (BCAR), a non-profit entity formed to manage downtown Buffalo parking facilities, has operated at the Site. 201 Ellicott, LLC (Applicant) will take ownership for the purpose of redeveloping the Site into a multistory, mixed-use complex that will include approximately 200 affordable housing residential units, open green space, parking and a component to increase food access.

The Site is located in Buffalo's Downtown Business District which is an area that has recently been the focus of recent public and private investment in an effort to stabilize the existing neighborhood and plan for future growth. Efforts are ongoing to plan for mixed-use redevelopment with complementary uses such as residential, office, retail, entertainment and hospitality. The City's Comprehensive Plan and Green Code envision a Downtown that continues to support the on-going redevelopment into a mixed-use neighborhood by:

- Promoting regional strategies that attract residents, employers, retail, and entertainment facilities to transit-served locations in the city center.
- Prioritize public realm improvements that calm traffic, cultivate street life, enhance transportation alternatives, and restore the Ellicott street grid and squares.
- Limit new or expanded surface parking, and encourage infill development and adaptive reuse of vacant and underutilized properties in the downtown core.
- Support retail and street level vitality by encouraging active ground floors, sidewalk cafes, and short-term, on-street parking.

The intended redevelopment as a mixed-use building is consistent with the current zoning and helps achieve the City's vision of a mixed-use Downtown environment, including needed affordable housing and food access in the City's Downtown core.

The Site has been the subject of a recent environmental investigation which demonstrated that the Site has been affected by past uses and may be a candidate for inclusion in the BCP. The results of the recent investigation are discussed in Section III.

Estimated Project Schedule:

Early April 2018	Brownfield Cleanup Program (“BCP”) Application Submission
Early April 2018	Remedial Investigation / Interim Remedial Measure Work Plan (“RI/IRM WP”) Submission
Mid April 2018	BCP Acceptance
Late May 2018	Brownfield Cleanup Agreement (“BCA”) Executed
Early June 2018	RI/IRM WP Approved
Mid June 2018	Remedial Investigation Begins
Late June 2018	Remedial Investigation Ends
Mid July 2018	Remedial Work Begins
Mid October 2018	Remedial Work Ends
Late October 2018	Remedial Investigation / Interim Remedial Measure Report Submission
Late October 2018	Final Engineering Report (“FER”) Submission
Late December 2018	Remedial Investigation / Interim Remedial Measure Report Approval
Late December 2018	FER Approved
Late December 2018	Decision Document
Late December 2018	Certificate of Completion Issued

## Section III - Property's Environmental History

### 1. Environmental Reports

Environmental information currently exists for the Site from a Phase I/II Environmental Site Assessment (ESA) completed by C&S Engineers (C&S) in 2016 and from supplemental soil and groundwater characterization completed by C&S in 2017. The associated documents are provided in **Attachment B**.

The Phase I indicated areas containing Recognized Environmental Conditions (RECs) which were subsequently investigated in a Phase II ESA.

### C&S Phase I ESA Report

The Phase I ESA for the Site identified the following RECs:

- The presence of a former lead company, National Lead Company, is considered a REC due to records indicating the site sold, manufactured and stored various lead-based products.
- Two former automobile service garages Clinton Garage operated from 1930 to 1940 and Ellicott Service Garage in 1935 with gas tanks near the access ways for each garage.

### C&S Phase II ESA Report

A Phase II ESA was completed to provide additional information on the RECs identified as a result of the 2016 Phase I ESA (summarized above). The Phase II ESA included the advancement of 10 soil borings, attempted installation of two temporary groundwater monitoring wells, and the collection and analysis of 10 soil samples. The soil samples were analyzed for US Environmental Protection Agency (EPA) Target Compound List (TCL) volatile organic compounds (VOCs), TCL semi-volatile organic compounds (SVOCs), Target Analyte List (TAL) metals and polychlorinated biphenyls (PCB). The findings from the Phase II ESA are provided below:

- Historic fill containing abundant amounts of reworked soil, crushed concrete, brick, coal, and ash was identified beneath the majority of the Site. Fill material was encountered across the Site from just below the asphalt and gravel sub-base to depths of 2 to 6 feet. Native clay material was observed directly beneath the fill material.
- Only historic fill material contained contaminants above SCOs; native soil was unimpacted by the fill material above.
- Concentrations of acetone and methylene chloride were detected above Unrestricted Use SCOs.
- Fill material had concentrations above Commercial and Industrial Use SCOs for polycyclic aromatic hydrocarbons (PAHs) and above Restricted Residential SCOs for lead and mercury.
- PCBs were not detected in the fill material or native soil.

- Groundwater appeared to be perched in the soils. Significant amounts of groundwater were not encountered during the boring program. Therefore, no groundwater analysis was completed.

A summary of the surface soil data is provided in **Table 3-1**, attached to this application.

### **C&S Supplemental Soil and Groundwater Characterization**

The 2017 Supplemental Characterization included the advancement of four soil borings and advancement of four permanent groundwater monitoring wells. The soil and groundwater samples were analyzed for NYSDEC Part 375 List VOCs, SVOCs, metals, pesticides and PCBs. The following significant findings were provided in the 2017 report:

- Historic fill material was observed directly underneath the asphalt surface to a depth of four to eight feet below grade. Observations made during soil sampling indicate that areas with historic fill material to eight feet may contain backfilled subsurface structures.
- VOC, SVOC and metal concentrations were detected above SCOs. Concentrations of multiple SVOCs in the fill material exceeded Industrial, Commercial, Restricted Residential and Residential Uses.
- Native soil consists of silt or clay and appears to be un-impacted by the fill material above. Sample results show that concentrations in the native soil are below Unrestricted Use SCOs for all Part 375 listed contaminants.
- Water levels were encountered in three separate zones. Water levels in the shallow monitoring wells (MW-B8 and MW-B9) were encountered approximately seven feet below ground surface. Water levels in the deep native soil in MW-B7 were encountered at 14 feet below ground surface. Water levels in the bedrock zone (MW-B10) were encountered at 34 feet below ground surface.
  - Two of the four groundwater samples (collected from shallow monitoring wells) analyzed for VOCs contained acetone and total xylene above NYSDEC standards.
  - Two of the four groundwater samples (collected from shallow monitoring wells) analyzed for metals contained selenium and manganese above NYSDEC standards.
  - No SVOCs, PCBs and pesticides were detected above NYSDEC standards.

A summary of the surface soil data is provided in **Table 3-2**, attached to this application. **Figure 3-1** shows the sample locations from both investigations.

## **2. Sampling Data**

### **Subsurface Soil**

- A few VOC concentrations were detected in the fill material marginally exceeding SCOs:

- Concentrations of acetone exceeded Unrestricted Use (0.05 ppm); detections above SCOs ranged from 0.126 ppm to 0.57 ppm.
- Concentrations of methylene chloride exceeded Unrestricted Use (0.05 ppm); detections above SCOs ranged from 5.63 ppm to 8.7 ppm.
- One sample contained trichloroethylene at 0.57 ppm. This concentration exceeds Unrestricted Use (0.47 ppm).
- PAH concentrations were identified in most of the samples collected from the fill material. PAH concentrations marginally to significantly exceeded SCOs:
  - Benzo(a)anthracene concentrations exceeded the Restricted Residential (1 ppm) and Industrial Use (5.6 ppm) SCOs at multiple locations. Concentrations ranged from 1.37 ppm to 15.9 ppm.
  - Benzo(a)pyrene concentrations exceeded the Industrial Use (1.1 ppm) SCO at five locations and two locations exceeding Commercial Use (1 ppm) SCO. Concentrations ranged from 1.04 ppm to 12.3 ppm.
  - Benzo(b)fluoranthene exceeded the Restricted Residential Use (1 ppm), Commercial Use (5.6 ppm) and Industrial Use (11 ppm) SCOs. Concentrations ranged 1.6 ppm to 11.5 ppm.
  - Benzo(k)fluoranthene exceeded the Unrestricted Use (0.8 ppm), Residential Use (1 ppm) and Restricted Residential Use (3.9 ppm) SCOs. Concentrations ranged from 0.915 ppm to 11.3 ppm.
  - Chrysene concentrations exceeded the Residential (1 ppm) and Residential-Restricted Use (3.9 ppm) SCOs at multiple locations. Concentrations ranged from 1.33 ppm to 16.3 ppm.
  - Dibenzo(a,h)anthracene exceeded the Restricted Residential Use (0.33 ppm) and Commercial Use (0.56 ppm) and Industrial Use (1.1 ppm) SCOs. Concentrations ranged 0.35 ppm to 3.83 ppm.
  - Indeno(1,2,3-cd)pyrene exceeded the Restricted Residential Use (0.5 ppm), Commercial Use (5.6 ppm) SCOs. Concentrations ranged 0.515 ppm to 5.87 ppm.
- PCBs were not detected above Unrestricted Use SCOs.
- Pesticides were not detected above Unrestricted Use SCOs.
- The following metals concentrations detected in the fill material exceeded SCOs:
  - Concentrations of lead were detected above the Unrestricted Use (63 ppm) and Restricted Residential Use (400 ppm) SCOs at multiple locations. Concentrations ranged from 105 ppm to 591 ppm.
  - Concentrations of mercury were detected above the Unrestricted Use (0.18 ppm) and Restricted Residential Use (0.81 ppm) SCOs at multiple locations. Concentrations ranged 0.18 ppm to 1.05 ppm.

- Concentrations of zinc were detected above the Unrestricted Use (109 ppm) at three locations. Concentrations ranged from 113 ppm to 220 ppm.

The Site figure detailing the impacted soil is included as **Figure 3-2**. Lab data is provided in **Attachment B**.

### Groundwater

As part of the 2017 characterization, four permanent groundwater monitoring wells were installed in soil borings. One round of groundwater samples from all four monitoring wells was collected and analyzed; the following contaminants were detected:

- Concentrations of VOCs in two of the four groundwater samples contained acetone (490 ppb) and total xylenes (7.5 ppb) above NYSDEC standards – acetone 50 ppb and xylenes 5 ppb.
- Concentrations of metals in two of the four groundwater samples contained selenium (16.5 ppb) and manganese (504.2 ppb) above NYSDEC standards – selenium 10 ppb and manganese 300 ppb.
- No SVOCs, PCBs or pesticides were detected above NYSDEC standards.

Site figure presenting groundwater concentrations above NYSDEC standards is included as **Figure 3-3**. Lab data is provided in **Attachment B**.

### 3. Site Figure

Numerous figures have been generated depicting pertinent details concerning the site and adjacent properties. These figures are referenced throughout this document.

### 4. Past Land Uses:

The Site was originally developed for residential and commercial purposes sometime on or before 1889. Sometime between 1880s and 1960s, the Site is comprised of numerous dwellings, stores, and commercial structures, including the following business:

- Cornell Lead Company
- R. Ovens Bakery
- Blacksmith Shop
- National Lead Company (formerly Cornell Lead Company)
- Laundry
- Sign painting
- Buffalo Kay Chemical Company, Inc.
- National Biscuit Company

- Whole Dry Goods Store
- Salvage Shop
- Auto Service Garages
- Plumbers Shop
- Barber Shop
- Clothing Manufacturer
- Various restaurants

Over time the various shops and commercial facilities were demolished and the Site was regraded. Currently, the Site is a surface parking lot operated by BCAR and owned by the City of Buffalo.

*Adjacent Usage:*

Surrounding property uses were industrial and commercial. Some adjacent historic uses include facilities, such as laundromats and dry cleaners, machine shops, industrial and manufacturing plants, and several other former automobile garages.

## Section IV - Property Information

Proposed BCP Site Name: **201 Ellicott Street Site.**

The Brownfield Cleanup Program Site is comprised of a portion of one parcel: 201 Ellicott Street (SBL: 111.13-13-1, 2.477 acres) as noted in the form. **Figure 4-1** depicts the Brownfield Cleanup Program Site (the “Site” described above will henceforth be referred to as the “BCP Site”) on a USGS 7.5 minute quadrangle map.

### 1. Tax Map Boundaries

The boundaries of the BCP Site have been slightly modified from the tax map boundaries. This was done to avoid impacting a National Fuel Gas regulator station from future remedial efforts. Tax map boundaries are included in **Figure 4-2**. A metes and bounds description of the proposed BCP Site boundary is provided in **Attachment C**.

### 2. Property Base Map

A map showing the proposed BCP Site on an aerial photograph showing parcel lines, tax map parcel numbers and owner information for adjacent parcels is included as **Figure 4-3**. **Figure 4-4** depicts land use for the local area.

### 3. En-Zone

Designation of En-Zones is limited to eligible 2013 Census Tracts with a poverty rate of at least 20% according to the 2013 American Community Survey 5-year estimates and an unemployment rate of at least 125% of the New York State average, or a poverty rate of at least double the rate for the county in which the tract is located.

The BCP site is within US Census Tracts 165. According to the NYSDEC En-zone Boundaries Data Set, Erie County Census Tract 165 is designated an Environmental Zones (“En-Zone”), based on 2013 data, in which tax credits are enhanced.

### 4. Multiple Applications

The proposed project is a stand-alone project and is not the subject of multiple applications.

### 5. Offsite Groundwater or Soil Vapor Contamination

At this time, previous environmental investigations do not indicate that contaminated offsite groundwater or soil vapor has impacted the proposed BCP Site.

### 6. Previous Remediation

The proposed BCP Site has not been remediated pursuant to Titles 9, 13, or 14 of ECL Article 27, Title 5 of ECL Article 56, or Article 12 of Navigation Law.

### 7. Lands under Water

The proposed BCP Site does not contain lands underwater.

### 8. Easements / Rights-of-Way

There are no easements within the proposed BCP Site.

## 9. Permits

There are no NYSDEC or USEPA permits related to the proposed BCP Site.

## 10. Property Description Narrative

### 10.1 Location

The proposed BCP Site is located in the Downtown Business District in the City of Buffalo, New York. The Site is approximately 2.477 acres and is owned by the City of Buffalo. The BCP Site is bounded by Clinton Street to the north, Oak Street to the east, East Eagle Street to the south, and Ellicott Street to the west.

The BCP Site is located within an urban setting. Land uses immediately adjacent to the BCP Site include residential use and commercial use. Land use to the north is commercial and comprised of the Buffalo and Erie County Public Library. Land use to the east is commercial and comprised of a health building and an office building. Land use to the south is commercial and comprised of the Niagara Frontier Transportation Authority (NFTA) and NFTA Metro System Inc. To the west, residential land use is comprised of Warehouse Lofts and P&B Capital Group while commercial land use is comprised of Campus Labs and the Hotel at the Lafayette.

### 10.2 Site Features

The BCP Site consists of an asphalt parking lot of 377-spaces whose entrance and exit are off Ellicott Street. A second access point is located on Oak Street. The northeast and northwest corners of the lot toward Clinton Street contain landscaping beds.

The BCP Site contains a small brick structure used as a security office near the parking lot automatic gates located onto Ellicott Street. A second access point is located onto Oak Street, but it not available for public use. The parking lot is enclosed by a wrought iron fence on top of a concrete surface.

### 10.3 Current Zoning and Land Use

The Site is currently zoned as N-1C. The land use allows mixed-use mid-rise developments at edges of downtown. . The surrounding parcels are zoned for mixed-use development.

### 10.4 Past Use of the Site

The past uses of the BCP Site include residential and commercial uses. The Site was originally developed for residential and commercial purposes sometime on or before 1889. Sometime between the 1880s and 1960s, the Site was comprised of numerous dwellings, stores, and commercial structures, including the Cornell Lead Company which later became National Lead Company, R. Ovens Bakery, a blacksmith shop, a laundry, a sign painting shop, Buffalo Kay Chemical Company, Inc., National Biscuit Company, Whole Dry Goods Store, a salvage shop, auto service garages with gas tanks near the access ways, a plumbers shop, a barber shop, a clothing manufacturer, and various restaurants. Over time the various shops and commercial facilities were demolished and the Site was regraded for use as a surface parking lot.

Contamination at the site appears to be from over 70 years of commercial and industrial historic site uses and the unregulated placement of contaminated fill material to backfill demolished structures. The fill material throughout the BCP Site generally extends from four feet to eight feet below grade. Based on a review of historic maps of the area, there is also a concern that previously undetected discrete areas of contamination related to ancillary uses such as underground petroleum/waste oil storage and/or heating operations (coal or fuel oil burning) may have impacted the subsurface soil.

#### Remedial events prior to BCP sampling

There have been no remedial events prior to the BCP sampling.

#### 10.5 Site Geology and Hydrogeology

Fill material was observed throughout the BCP Site and directly beneath the asphalt and gravel sub-base parking surface. General urban fill material identified on-site was comprised of various materials including construction debris, brick, and ceramics.

The BCP Site contains fill material throughout the property with observed thickness ranging up to approximately two feet to eight feet below grade. Areas of deep fill material are related to backfilled basements. Native dense clay and silt is located below the fill material.

Groundwater was encountered in three separate zones. Shallow monitoring wells encountered perched water at approximately seven feet below grade. Due to the fine-grained nature of native soils, the shallow groundwater zone contains a limited volume of perched water. Water levels in the deep native soil were encountered at 14 feet below ground surface. Bedrock at the Site was encountered at 54 feet to 57 feet below ground surface. Water levels in the bedrock zone was recorded at 34 feet below ground surface.

#### 10.6 Environmental Assessment

##### Subsurface Soil

Based upon investigations conducted to date, the primary contaminants of concern include VOCs, PAH compounds and heavy metals in the fill material present throughout the BCP Site.

It is understood that the contaminant sources are related to the historical urban and commercial uses of the property and the unregulated deposition of fill material that occurred over time prior to the BCP Site's use as a parking lot. The fill material appears to be a heterogeneous mixture of various materials (sand, silt, bricks, ash, coal, metal or crushed concrete) that generally extends from two feet to eight feet below grade.

Concentrations of VOCs, PAH compounds and heavy metals present in the fill material exceed SCOs for the intended use of the Site as a mixed-use complex that will include approximately 200 affordable housing residential units. As described in Section III, concentrations of VOCs exceed Unrestricted Use SCOs in three locations on the BCP Site. PAH compounds, such as benzo(a)anthracene, benzo(a)pyrene and benzo(b)fluoranthene, were detected in fill material samples and at concentrations that exceed Restricted Residential, Commercial and Industrial

Use SCOs. Heavy metals, lead and mercury, were detected in all fill material samples at concentrations that exceed Unrestricted and Restricted Residential Use SCOs.

### Subsurface Soil

A few VOC concentrations were detected in the fill material that marginally exceeded SCOs. Concentrations of acetone that exceeded the Unrestricted Use SCO (0.05 ppm) at three locations ranged from 0.126 ppm to 0.57 ppm. Concentrations of methylene chloride that exceeded the Unrestricted Use SCO (0.05 ppm) at two locations ranged from 5.63 ppm to 8.7 ppm. Trichloroethylene was detected in one sample at a concentration (0.57 ppm) that exceeded the Unrestricted Use SCO (0.47 ppm).

PAH concentrations were identified in most of the samples collected from the fill material. PAH concentrations marginally to significantly exceeded SCOs. Concentrations of benzo(a)anthracene that exceeded the Restricted Residential Use (1 ppm) and Industrial Use (5.6 ppm) SCOs at seven locations ranged from 1.37 ppm to 15.9 ppm. Concentrations of benzo(a)pyrene that exceeded the Industrial Use (1.1 ppm) SCO at five locations and at two locations exceeding the Commercial Use (1 ppm) SCO ranged from 1.04 ppm to 12.3 ppm. Concentrations of benzo(b)fluoranthene that exceeded the Restricted Residential Use (1 ppm), Commercial Use (5.6 ppm) and Industrial Use (11 ppm) SCOs at six locations ranged from 1.6 ppm to 11.5 ppm. Concentrations of benzo(k)fluoranthene that exceeded the Unrestricted Use (0.8 ppm), Residential Use (1 ppm) and Restricted Residential Use (3.9 ppm) SCOs at six locations ranged from 0.915 ppm to 11.3 ppm. Concentrations of chrysene that exceeded the Residential Use (1 ppm) and Residential-Restricted Use (3.9 ppm) SCOs at seven locations ranged from 1.33 ppm to 16.3 ppm. Concentrations of dibenzo(a,h)anthracene that exceeded the Restricted Residential Use (0.33 ppm) and Commercial Use (0.56 ppm) and Industrial Use (1.1 ppm) SCOs at three locations ranged from 0.35 ppm to 3.83 ppm. Concentrations of indeno(1,2,3-cd)pyrene that exceeded the Restricted Residential Use (0.5 ppm) and Commercial Use (5.6 ppm) SCOs at seven locations ranged from 0.515 ppm to 5.87 ppm.

Metals concentrations detected in the fill material exceeded SCOs. Concentrations of lead that exceeded the Unrestricted Use (63 ppm) and Restricted Residential Use (400 ppm) SCOs in eight locations ranged from 105 ppm to 591 ppm. Concentrations of mercury that exceeded the Unrestricted Use (0.18 ppm) and Restricted Residential Use (0.81 ppm) SCOs in nine locations ranged from 0.18 ppm to 1.05 ppm. Concentrations of zinc that exceeded the Unrestricted Use (109 ppm) SCO in three locations ranged from 113 ppm to 220 ppm.

Field observations and samples collected at various intervals within the fill material zone indicate contaminant concentrations throughout this area exceed Restricted Residential Use. Therefore, due to the shallow depth of the top of contamination (directly below the parking lot surface), exposure to impacted fill material is likely. Considering the future use of the BCP Site, remediation is warranted in order to redevelop the property.

### Groundwater

Based on the investigations conducted to date, concentrations of VOCs in two of the four groundwater samples contained acetone (490 ppb) and total xylene (7.5 ppb) above NYSDEC standards – acetone 50 ppb and xylenes 5 ppb. Concentrations of metals in two of the four

groundwater samples contained selenium (16.5 ppb) and manganese (504.2 ppb) above NYSDEC standards – selenium 10 ppb and manganese 300 ppb.

Groundwater concentrations exceeding NYSDEC standards were only encountered in the shallow monitoring wells that are screened within the fill material zone.

## **Section VII - Requestor Eligibility Information (ECL §27-1407)**

201 Ellicott, LLC, the Volunteer, has not operated or been involved with the Site at any time and has had no legal relationship with or to any prior owner.

The Applicant is currently not the owner of the property. The City of Buffalo has granted the Applicant access to the property throughout the BCP process, including the ability to place an easement on the BCP Site. The site access agreement and a letter of support from the City is provided in **Attachment E**.

## **Section VIII - Property Eligibility Information (ECL §27-1405)**

The BCP Site is not on the National Priorities List, not on the NYS Registry of Inactive Hazardous Waste Disposal Sites, not subject to permitting under ECL Article 27-16305, not subject to a cleanup order under Navigation Law Article 12 or ECL Article 17 Title 10, and not subject to state or federal enforcement actions related to hazardous waste or petroleum.

The anticipated post remediation use of the BCP Site is a multistory, mixed-use complex that will include approximately 200 affordable housing residential units, open green space, parking and a component to increase food access. In order to do so, the Volunteer must remediate the property to Restricted Residential Soil Clean-up levels (Track 2) under 6 NYCRR Part 375. Since the Volunteer's BCP Site investigations to date show the presence of historic fill at depths ranging from two to eight feet in various locations throughout the property containing contaminants in excess of the SCOs that will be applied to achieve this reasonably anticipated use of the proposed BCP Site. The redevelopment of the BCP Site is complicated by this known contamination and, thereby, in its current state renders the property unsuitable for the planned redevelopment as a residential building.

## Section X - Land Use Factors

### 1. Current Zoning

The proposed BCP Site is zoned DO, Downtown Opportunity District, or N-1C under the City of Buffalo's Green Code. The category N-1C allows mixed-use mid-rise developments. The uses allowed in this zone are as follows:

- Residential
- Office
- Retail
- Eating and drinking establishments
- Hotel
- Entertainment uses, such as motion-picture and live stage theaters

For Downtown Zones DO the following is a list of permitted retail uses, permitted service uses, uses allowed in all downtown zones and uses specifically prohibited throughout downtown.

- Representative retail uses shall include:
  - Antique stores
  - Art galleries, commercial
  - Artist supply stores
  - Bakeries
  - Bicycle sales
  - Bookstores
  - Candy or ice cream stores

## 2. Current Uses: Summary of Business Operations

201 Ellicott Street is currently a 377-space surface parking lot operated by BCAR.

## 3. Intended Use – Post Remediation

The intended post remediation use of the proposed BCP Site will be a multistory, mixed-use complex that will include approximately 200 affordable housing residential units, open green space, parking and a component to increase food access.

## 4. Current, Historical and/or Recent Development Patterns

As demonstrated by the list of previous owners of the Site in Section VI.2, the Site was once occupied by a wide variety of residences; restaurants, retail stores, and other commercial enterprises; and a number of industries. The drastic change in site ownership, decreasing from 35 separate individuals and corporate entities in 1930 to only one in the 1980s epitomizes the gutting of the City's downtown. Recent efforts have been made to reverse this trend and return

vitality to the City's downtown, and the proposed project intends to return the Site to productive use.

The following text has been taken from the City of Buffalo's recently adopted Green Code:

*Downtown remains the center of the region, and its ongoing redevelopment must be supported. To make it a lively, mixed-use neighborhood, a number of complementary uses need to be woven together: residential, office, retail, entertainment, and hospitality. Momentum is clearly building. Since 2000, 888 housing units and 1,022 hotel rooms have been added in the City's Central Business District. New construction of mixed-use and commercial space—more than 1.8 million square feet—has also picked up. And the number of new restaurant openings is another sign that downtown is becoming a 24/7 neighborhood.*

*This progress is encouraging, but more work is needed to make downtown strong, vibrant, and whole; such as continuing the return of cars to Main Street, which has already had a positive impact on investment.*

*Nearby, thousands of employees are being added to the Larkin District and Buffalo Niagara Medical Campus, a substantial number of whom could become downtown residents. The availability of buildings and land, coupled with a 97 percent apartment occupancy rate, create abundant opportunities for additional housing and amenities in the downtown core.*

*Dozens of existing structures have already been renovated with the use of historic tax credits, and infill development on the 40 acres of downtown land devoted to commercial parking lots represents the next major opportunity.*

The proposed redevelopment of the Site intends to advance the City's vision to restore the downtown and provide housing for a burgeoning workforce. Furthermore, this project is specifically targeted in the City's Green Code, as it transforms the largest surface parking lot in downtown into 200 residential units as well as increasing food access in the downtown.

#### 5. Consistency with Zoning

Under the City of Buffalo's Green Code the property is designated N-1C, which allows for mixed-use mid-rise developments. This zoning category is consistent with the proposed redevelopment.

#### 6. Consistency with Plans

The BCP Site is located in Buffalo's Downtown Business District and is currently an area that has been the focus of recent public and private investment in an effort to stabilize the existing neighborhood and plan for future growth. Efforts are ongoing to plan for mixed-use redevelopment with complementary uses such as residential, office, retail, entertainment and hospitality. The City's Comprehensive Plan and Green Code envisions a Downtown that continues to support the on-going redevelopment into a mixed-use neighborhood by:

- Promoting regional strategies that attract residents, employers, retail, and entertainment facilities to transit-served locations in the city center.
- Prioritize public realm improvements that calm traffic, cultivate street life, enhance transportation alternatives, and restore the Ellicott street grid and squares.

- Limit new or expanded surface parking, and encourage infill development and adaptive reuse of vacant and underutilized properties in the downtown core.
- Support retail and street level vitality by encouraging active ground floors, sidewalk cafes, and short-term, on-street parking.

Furthermore, the Green Code specifically identifies the transformation of downtown surface parking lots into residential and commercial space as a high priority. This redevelopment project will actually tackle the largest of those downtown lots into the residential and commercial space envisioned by the City's plan.

## **OPERATING AGREEMENT**

**OF**

**201 ELLICOTT, LLC**

**THIS OPERATING AGREEMENT** (this “**Agreement**”) of 201 Ellicott, LLC, a New York limited liability company (the “**Company**”) is entered into effective as of the 4<sup>th</sup> day of January, 2018, by and among Ciminelli Real Estate Corporation, a New York corporation, as the Initial Manager (as hereinafter defined) of the Company and Ciminelli Real Estate Ventures, LLC, a New York limited liability company as the sole Member (as hereinafter defined) of the Company.

### **BACKGROUND**

**WHEREAS**, the parties hereto desire to establish their respective rights and obligations pursuant to the New York Limited Liability Company Law in connection with the Company.

**NOW, THEREFORE**, in consideration of the foregoing and of other good and valuable consideration, the receipt and sufficiency of which is hereby acknowledged, the parties hereto hereby agree as follows:

### **ARTICLE I** **DEFINITIONS**

The following capitalized terms when used in this Agreement shall have the respective meanings specified below.

“**Act**” means the New York Limited Liability Company Law and any successor statute, as amended from time to time.

“**Affiliate**” means, with respect to any Person, any other Person which is controlled by, or is under common control with, such Person. For this purpose: (a) “control” means ownership (direct or through another Affiliate) of fifty percent (50%) or more of the voting stock of a corporation, fifty percent (50%) or more of the capital or profits interests of a partnership, or fifty percent (50%) or more of any ownership interest of any other Person; and (b) any ownership interest owned by a Person shall be deemed to be owned by any relative of such Person.

“**Agreement**” shall have the meaning assigned thereto in the Preamble hereof.

“**Articles of Organization**” means the Articles of Organization of the Company filed with the New York Department of State pursuant to the Act, as amended or restated from time to time.

**“Bankruptcy”** means, with respect to any Person, if such Person (a) makes an assignment for the benefit of creditors; (b) files a voluntary petition in bankruptcy; (c) is adjudged a bankrupt or insolvent, or has entered against it an order for relief, in any bankruptcy or insolvency proceedings; (d) files a petition or answer seeking for itself any reorganization, arrangement, composition, readjustment, liquidation or similar relief under any statute, law or regulation; (e) files an answer or other pleading admitting or failing to contest the material allegations of a petition filed against it in any proceeding of this nature; (f) seeks, consents to or acquiesces in the appointment of a trustee, receiver or liquidator of the Person or of all or any substantial part of its properties; or (g) if one hundred twenty (120) days after the commencement of any proceeding against the Person seeking reorganization, arrangement, composition, readjustment, liquidation or similar relief under any statute, law or regulation, if the proceeding has not been dismissed, or if within ninety (90) days after the appointment without such Person’s consent or acquiescence of a trustee, receiver or liquidator of such Person or of all or any substantial part of its properties, the appointment is not vacated or stayed, or within ninety (90) days after the expiration of any such stay, the appointment is not vacated.

**“Capital Account”** means the account maintained for each Member in accordance with the following provisions:

(a) the Member’s Capital Account shall be increased by:

(i) the Member’s Capital Contributions (which shall include, without limitation, the initial Capital Contributions made on the date hereof as set forth on Schedule A hereof, and any additional Capital Contributions made after the date hereof);

(ii) the amount of any Company liabilities which are assumed by such Member (or which are secured by Company property distributed to such Member by the Company); and

(iii) the Member’s distributive share of Profit and any item in nature of income or gain specially allocated to such Member pursuant to the provisions of this Agreement or as required by the Code or Regulations; and

(b) the Member’s Capital Account shall be decreased by:

(i) the amount of money and the fair market value of any Company property distributed to or withdrawn by the Member;

(ii) the amount of any liabilities of the Member assumed by the Company (or which are secured by property contributed by the Member to the Company); and

(iii) the distributive share of Loss and any item in the nature of expenses or losses specially allocated to the Member pursuant to the provisions of this Agreement or as required by the Code or Regulations.

**“Capital Contribution”** means, any contribution made by the Member to the capital of the Company in cash, property or services rendered or a promissory note or other binding obligation to contribute cash or property or to render services.

**“Code”** means the Internal Revenue Code of 1986, as amended, or any superseding federal revenue statute.

**“Company”** shall have the meaning ascribed thereto in the Preamble hereof.

**“Control”** means the possession, directly or indirectly, of the power to direct or cause the direction of the management and policies of a Person whether through ownership of voting securities, beneficial interests, by contract or otherwise. The definition is to be construed to apply equally to variations of the word “Control” including “Controlled,” “Controlling” or “Controlled by”.

**“Distribution”** means any cash or property paid or transferred by the Company to the Member on account of the Member’s Membership Interests, in accordance with the terms of this Agreement.

**“Fiscal Year”** means the calendar year commencing on each January 1 and ending on the following December 31.

**“GAAP”** means, as of the date of any determination, generally accepted accounting principles as promulgated by the Financial Accounting Standards Board and/or the American Institute of Certified Public Accountants, consistently applied and maintained throughout the relevant periods and from period to period.

**“Initial Manager”** shall mean Ciminelli Real Estate Corporation.

**“Manager”** shall mean the Initial Manager and any other Manager of the Company appointed, elected or otherwise serving pursuant to the provisions of Article III hereof, and who executed a counterpart of this Agreement as a manager of the Company. Each Manager is hereby designated as a “manager” within the meaning of the Act.

**“Member”** means the Person listed on Schedule A to this Agreement and who has executed a counterpart of this Agreement as a member of the Company, and each other Person who may hereafter be admitted as a Member in accordance with the terms and conditions hereof and who executes a counterpart of this Agreement as a member of the Company.

**“Membership Interest”** means the Member’s aggregate rights in the Company, including, without limitation: (a) the right to share in the Profits and Losses of, and to receive Distributions from the Company; (b) the right to vote in matters coming before the Company and participate in the management of the Company as provided in this Agreement; and (c) all other designations, rights, powers and preferences, and restrictions, limitations and qualifications, granted to the Member under this Agreement, the Act or any other applicable law.

**“Person”** means any person or entity, whether an individual, trustee, corporation, general partnership, limited partnership, trust, limited liability company, limited liability partnership, or otherwise.

**“Profits and Losses”** or **“Profit or Loss”** means, for each Fiscal Year (or other period for which Profit and Loss must be computed), the Company’s taxable income or loss determined in accordance with Code Section 703(a), with the following adjustments:

(a) all items of income, gain, loss, deduction or credit required to be stated separately pursuant to Code Section 703(a)(1) shall be included in computing taxable income or loss;

(b) any tax-exempt income of the Company, not otherwise taken into account in computing taxable income or loss shall be included in computing taxable income or loss;

(c) any expenditures of the Company described in Code Section 705(a)(2)(B) (or treated as such pursuant to Regulation Section 1.704-1(b)(2)(iv)(i)), not otherwise taken into account in computing Profit and Loss, shall be subtracted from taxable income or loss;

(d) gain or loss resulting from any taxable disposition of Company property shall be computed by reference to the adjusted book value of such property disposed of, notwithstanding the fact that the adjusted book value differs from the adjusted basis of the property for federal income tax purposes;

(e) in lieu of depreciation, amortization, or cost recovery deductions allowable in computing taxable income or loss, there shall be taken into account the depreciation computed based upon the adjusted book value of the asset; and

(f) notwithstanding any other provisions of this definition, any items which are specially allocated pursuant to Article VIII shall not be taken into account in computing Profit or Loss.

**“Regulations”** means any proposed, temporary and final regulations promulgated under the Code as from time to time in effect.

**“Successor Manager”** shall have the meaning ascribed to such term in Section 3.2(b)(i) hereof.

**“Transfer”** means any transfer of any Membership Interests, including any sale, exchange, gift, assignment, pledge, mortgage or other disposition, whether voluntary or involuntary, including a disposition under judicial order or legal process, by execution, attachment or enforcement of a pledge, trust or other encumbrance, or by testamentary disposition or pursuant to the laws of intestate succession.

## **ARTICLE II** **FORMATION**

**2.1 Name and Formation.** Lippes Mathias Wexler Friedman LLP, acting as an organizer, formed the Company pursuant to the Act by filing Articles of Organization with the New York Department of State on January 4, 2018. The existence of the Company as a separate legal entity shall continue until the filing of the Articles of Dissolution as provided in the Act.

**2.2 Principal Place of Business.** The principal place of business of the Company shall be at such location as shall be determined from time to time by the Manager.

**2.3 Purpose and Powers.** The Company is formed to engage in any lawful business purpose or purposes except to do any business for which another statute specifically requires some other business entity or natural person to be formed or used for such business.

**2.4 Powers and Operation of the Company.** The Company shall have the powers granted to a limited liability company by the Act and may exercise such powers in any state, territory, district or possession of the United States and in any foreign country as may be necessary, convenient or incidental to the accomplishment of the purposes of the Company, including, without limitation, the power and authority to take any and all actions necessary, appropriate, advisable, convenient or incidental to or for the furtherance of the purposes set forth above.

## **ARTICLE III** **MANAGEMENT**

### **3.1 Management.**

(a) The business and affairs of the Company shall be managed by its Manager, which initially the Company shall have one of, provided the number of Managers can be changed by the Member from time to time. The Initial Manager shall serve as the initial Manager of the Company. The Manager shall have the exclusive right to manage the affairs and business of the Company and shall be subject to all of the duties and liabilities of Managers which are contained in this Agreement, the Articles of Organization, the Act and any other applicable law. Managers may, but shall not be required to be, Members of the Company.

(b) The Manager shall have the power and authority to do any and all acts necessary or convenient to or for the furtherance of the purposes of the Company described herein, including all powers and authorities, statutory or otherwise, possessed by Managers of limited liability companies under the Act.

(c) The Manager shall have sole authority to bind the Company with respect to any and all matters in connection with the Company's business.

### **3.2 Term of Manager.**

(a) Initial. The Initial Manager shall serve as the Manager unless and until the occurrence of: (i) the Initial Manager's resignation as a Manager; or (ii) the Initial Manager is removed as a Manager as provided in Section 3.5 hereof.

(b) Successor Manager; Subsequent Managers.

(i) If an Initial Manager is unable to serve as a Manager for any reason, the Members shall select a new Manager, as provided in Section 3.3 below, to replace the Initial Manager who is unable to serve (a "Successor Manager").

(ii) The Manager (including Successor Managers) shall serve unless and until (A) the Manager resigns as a Manager; or (B) the Manager is removed as a Manager as provided in Section 3.5 below.

### **3.3 Election and Action of Manager.**

(a) There shall be no election of the Initial Manager, who shall serve in such capacity as provided in Section 3.2 above.

(b) A Successor Manager and any additional Managers shall be elected to serve by the Member.

**3.4 Vacancies.** In the event of any vacancy in a Manager position, such vacancy shall be filled by the Member, as provided in Section 3.3 above.

**3.5 Removal.** A Manager may be removed by the Member. The removal of a Manager shall not affect such Manager's rights as a Member and shall not constitute a withdrawal of such Manager as a Member.

**3.6 Resignation.** A Manager may resign at any time by giving written notice thereof to the Member. The resignation of a Manager shall take effect at the time provided in such notice and no acceptance of the resignation shall be necessary. The resignation of a Manager shall not affect such Manager's rights as a Member and shall not constitute a withdrawal as a Member.

**3.7 Managers Shall Act in Good Faith.** To the fullest extent permitted by law, a Manager shall perform its duties in good faith, in the manner it reasonably believes to be in the best interests of the Company and with such degree of care as an ordinarily prudent person in a similar position would use under like circumstances. To the fullest extent permitted by law, a Manager who so performs its duties shall have no liability by reason of being or having been a Manager and shall not be liable to the Company or to any Member for any loss or damage sustained by the Company or any Member.

### **3.8 Delegation to or Retention of Agents; Reliance on Information.**

(a) In performing its duties, the Manager shall be entitled to delegate authority to such Persons with respect to such matters that the Manager believes, in good faith and without knowledge of any facts which would cause such belief to be unwarranted, to be within such Persons' respective professional or expert competence.

(b) With respect to each Person to whom authority is delegated by the Manager pursuant to subsection (a) above, the Manager shall be entitled to rely, in good faith and without knowledge of any facts which would cause such reliance to be unwarranted, upon all information, opinions, reports or statements, including, without limitation, financial statements, prepared or presented by such Persons to the Company.

**3.9 Indemnification.** The Company shall indemnify, defend and hold harmless the Manager for all costs, losses, liabilities, and damages paid or incurred by such Manager in the performance of its duties in such capacity, to the fullest extent provided or permitted by the Act or other applicable laws.

**3.10 Compensation; Expense Reimbursement.** The Manager shall not receive any compensation for serving as a Manager; however, the Manager shall be reimbursed for reasonable expenses incurred in performing its duties pursuant to this Agreement.

## **ARTICLE IV** **ACCOUNTS, REPORTS AND NOTICES**

**4.1 Accounts.** The Company will maintain a system of accounts in accordance with GAAP (unless otherwise agreed to by the Member and the Manager), to keep full and complete financial records and to furnish to the Member, after the end of each Fiscal Year, a copy of the balance sheet of the Company as of the end of such year, together with statements of income, Member's equity and cash flow for such year, all in reasonable detail, prepared by the Company's accountants.

**4.2 Notices.** The Company will give prompt notice to the Member of any adverse material change in the performance of the Company.

**4.3 Inspection.** The Member, through its legal or accounting representative, shall have the right at any reasonable time during normal business hours, and upon ten (10) days notice to the Company, to inspect and audit the books and records of the Company at the Company's principal offices.

## **ARTICLE V** **MEMBERS**

**5.1 Classes of Members.** The Membership Interests of the Company shall be comprised of a single class of Membership Interests, having the designations, rights, powers and preferences, and the qualifications, limitations and restrictions in respect thereof, as provided

herein, and as required by the Act or any other applicable law. The Member was admitted as a Member of the Company upon the execution of a counterpart signature page to this Agreement.

**5.2 Voting.** On each matter upon which Members are required or permitted to vote and except as otherwise provided herein or as required by the Act or other applicable law, the Member shall vote the entire Membership Interest of the Company.

## **ARTICLE VI**

### **MEMBERSHIP INTERESTS AND TRANSFERS THEREOF**

#### **6.1 Transfers.**

(a) In the event of a Transfer of a Member's Membership Interests to any Person, the transferred Membership Interests shall remain subject to this Agreement and, as a condition of the validity of such Transfer, each transferee shall be required to execute and deliver a counterpart of this Agreement and shall be admitted as a Member hereunder. Such admission shall be deemed effective immediately prior to the Transfer and, immediately following such admission, the transferor Member shall cease to be a Member of the Company. Any attempted Transfer of Membership Interests in violation of this Article shall, to the fullest extent permitted by law, be void ab initio and that Person so attempting to violate this provision shall be liable for all costs and losses suffered by the Company or any Member as a result thereof.

(b) In the event that any provision of this Section 6.1 is held to be invalid or unenforceable, the transferee of a Membership Interest shall only be entitled to the rights of an "assignee" provided in Section 604 of the Act.

(c) In the event of any Transfer during any Fiscal Year, the profits, gains, losses, deductions and credits during such Fiscal Year shall be allocated to the Membership Interests being so transferred in proportion to the actual number of days that each of the transferor Member and transferee Member was recognized as the Member during such Fiscal Year, or in any other proportion permitted by the Code and selected by the Manager, without regard to results of the Company's performance during the respective periods in which each of the transferor Member and transferee Member was recognized as the owner of the Membership Interests during such Fiscal Year, and without regard to the date, amount or actual recipient of any Distributions which may have been made in respect of such Membership Interests.

**6.2 Limitation of Liability.** The Member, solely by reason of being a member of the Company, shall not be personally liable for any indebtedness, liability or obligation of the Company, except as otherwise expressly required by this Agreement or any other applicable law.

## **ARTICLE VII**

### **CAPITAL CONTRIBUTIONS**

**7.1 Initial Contributions.** The Member shall make or have made an initial Capital Contribution to the Company as set forth opposite the Member's name on Schedule A of this Agreement in consideration of the entire Membership Interest in the Company being issued to

the Member. The Member agrees that any property or other consideration described in Schedule A which is other than cash, has the fair market value (net of liabilities assumed or taken subject to by the Company to which such property is subject) listed opposite such property or consideration and that the Member's Capital Account shall be credited with an initial Capital Contribution equal to the value listed opposite its name in Schedule A.

**7.2 Additional Contributions.** The Member shall not be required to make any additional Capital Contribution to the Company.

**7.3 Capital Accounts.** A Capital Account shall be maintained for the Member in accordance with the terms and conditions of this Agreement.

**7.4 Deficit Capital Account.** Except as otherwise expressly required by the Act, this Agreement or other applicable laws, the Member shall not have any liability to restore all or any portion of a deficit balance in its Capital Account. Upon the liquidation of the Company within the meaning of Section 704 of the Code, if the Member has a deficit Capital Account (after giving effect to all Capital Contributions, Distributions, allocations and other adjustments for all Fiscal Years, including the Fiscal Year in which such liquidation occurs), the Member shall have no obligation to make any Capital Contributions, and the negative balance of any Capital Account shall not be considered a debt owed by the Member to the Company or to any other Person for any purpose.

**7.5 Interest on Capital Contributions.** The Member shall not be entitled to earn any interest on any Capital Contributions, and may only receive a return of its Capital Contributions where all indebtedness, liabilities and obligations of the Company have been paid or there remains property of the Company which the Manager has determined is sufficient to pay them.

**7.6 Withdrawal of Capital.** The Member shall not be entitled to withdraw any portion of its Capital Contribution without the prior written consent of the Manager. Any attempted withdrawals of capital in violation of the provisions of this Section shall, to the fullest extent permitted by law, be void ab initio, and the Member shall be fully liable to the Company for any and all damages, costs and losses incurred as a result thereof.

**7.7 Modifications.** The manner in which Capital Accounts are to be maintained pursuant to this Article is intended to comply with the requirements of Section 704(b) of the Code and the Regulations promulgated thereunder. If, in the opinion of the Manager, the manner in which Capital Accounts are to be maintained pursuant to this Agreement should be modified in order to comply with Section 704(b) of the Code and the Regulations promulgated thereunder, then the method in which Capital Accounts are maintained shall be so modified.

**ARTICLE VIII**  
**ALLOCATIONS AND DISTRIBUTIONS**

**8.1     Allocations.** Subject to the limitations as provided in this Article, in any Fiscal Year in which there is a Profit or Loss, such Profit or Loss, as the case may be, shall be allocated to the Member.

**8.2     Distributions; Offset.**

(a)     The Company shall make Distributions to the Member, from time to time, as provided in this Section 8.2. Notwithstanding any provision to the contrary contained in this Agreement, the Company shall not be required to make a Distribution to the Member on account of its interest in the Company if such Distribution would violate the Act or any other applicable law.

(b)     Unless prohibited by the terms of this Agreement or by operation of law, the Company shall make a Distribution, at least annually, to the Member in an amount which, at a minimum, is sufficient to permit the Member to pay any applicable income tax liabilities it may owe due to its income from the Company. Notwithstanding the foregoing, the Company shall be required to offset all amounts owing to the Company by the Member against any Distribution to be made to the Member.

(c)     The Company may make Distributions in such amounts and at such times as shall be determined by the Manager, which Distributions shall be made in accordance with the provisions of this Section 8.2 hereof.

**ARTICLE IX**  
**TAXES**

**9.1     Tax Returns.** Subject to the receipt of necessary financial information from any Person the Company has invested in, the Manager shall cause to be timely prepared and filed, and shall have the authority to make all tax elections in connection therewith, all necessary federal and state income tax returns for the Company. The Member shall cooperate in furnishing all information relating to the Company reasonably necessary with respect thereto.

**9.2     Tax Matters Partner; Partnership Representative.** The Manager shall be the “Partnership Representative” of the Company, within the meaning set forth in Section 6223 of the Code, except to the extent that the Manager does not qualify as a Partnership Representative for purposes of the Code, in which case the Manager shall make an alternative designation of a Partnership Representative. The Manager shall, in its sole discretion, determine whether to make on behalf of the Company any and all elections and shall have the right to take any and all actions that are available to be made or taken by the Manager, the Partnership Representative or the Company under Subchapter C of Chapter 63 of the Code. Each Member shall cooperate with the Manager and the Partnership Representative and provide such information or take such actions to the extent reasonably requested by the Manager or the Partnership Representative in connection with any such elections made by and related actions of the Manager or the

Partnership Representative, including filing amended US federal income tax returns and paying any tax due in accordance with Section 6225(c)(2) of the Code, as amended by Section 1101 of the Bipartisan Budget Act of 2015. To the extent any income tax underpayments, interest and/or penalties are assessed and collected at the Company level pursuant to Sections 6221 and 6225 of the Code, as amended by Section 1101 of the Bipartisan Budget Act of 2015, and to the extent such amounts are determined to be material in the reasonable discretion of the Manager, the economic burden of such amounts shall be apportioned by the Manager amongst the Members and former Members, to the extent they were Members during any portion of the reviewed year (as defined in Section 6225(d)(1) of the Code, as amended by Section 1101 of the Bipartisan Budget Act of 2015). To the extent that a portion of the amounts assessed and collected pursuant to Sections 6221 and 6225 of the Code, as amended by Section 1101 of the Bipartisan Budget Act of 2015, relates to a former Member, the Manager may require such former Member to indemnify the Company for such former Member's allocable portion of such tax liabilities. Each Member acknowledges that, notwithstanding any transfer, redemption or termination of all or any portion of its interest in the Company, it may remain liable for, hereby does to the fullest extent permitted by applicable law, indemnify and hold harmless the Company for, any tax liabilities (including any associated interest, penalties and claims) with respect to such Member's allocable share of income and gain of the Company for the Company's taxable years (or portions thereof) prior to such transfer, redemption or termination.

## **ARTICLE X**

### **WITHDRAWAL; DISSOLUTION**

#### **10.1 Withdrawal.**

(a) No Member may voluntarily withdraw from the Company. In the event this provision is held invalid or unenforceable by a court of competent jurisdiction, the Member agrees that the Distribution and/or return of Capital Contribution that a withdrawing Member is deemed to be entitled to shall be payable by the Company by delivery to a withdrawing Member or its personal representative of a promissory note providing for payments of principal and interest, at the Wall Street Journal's prime rate in effect from time to time, payable over a ten (10) year term, with no penalty for prepayment.

(b) Notwithstanding the foregoing provisions of this Section or anything else contained in this Agreement, no Member may withdraw as a Member in any manner which would result in the "termination" of the Company for federal income tax purposes under Section 708 of the Code and the Regulations promulgated thereunder, except in such proportions and at such times as would not result in such a "termination" of the Company for federal income tax purposes under Section 708 of the Code, unless the Manager approves such withdrawal.

#### **10.2 Dissolution.**

(a) The Company shall be dissolved and its affairs shall be wound up upon the first to occur of the following: (i) the termination of the legal existence of the last remaining Member of the Company or the occurrence of any other event which terminates the continued membership of the last remaining Member of the Company in the Company unless the business

of the Company is continued in a manner permitted by this Agreement or the Act; (ii) the entry of a decree of judicial dissolution under the Act; or (iii) the Manager determines that the purpose of the Company has been accomplished. Upon the occurrence of any event that causes the last remaining Member of the Company to cease to be a Member of the Company, to the fullest extent permitted by law, the personal representative of such Member is hereby authorized to, and shall, within ninety (90) days after the occurrence of the event that terminated the continued membership of such Member in the Company, agree in writing (x) to continue the Company and (y) to the admission of the personal representative or its nominee or designee, as the case may be, as a substitute member of the Company, effective as of the occurrence of the event that terminated the continued membership of the last remaining Member of the Company in the Company.

(b) Upon the occurrence of any event that causes the last remaining Member of the Company to cease to be a Member of the Company, to the fullest extent permitted by law, the personal representative of the Member is hereby authorized to, and shall, within ninety (90) days after the occurrence of the event that terminated the continued membership of the Member in the Company, agree in writing (i) to continue the Company; and (ii) to the admission of the personal representative or its nominee or designee, as the case may be, as a substitute Member of the Company, effective as of the occurrence of the event that terminated the continued membership of the last remaining Member of the Company in the Company.

(c) Notwithstanding any other provision of this Agreement, the Bankruptcy of the Member shall not cause the Member to cease to be a Member of the Company and upon the occurrence of such an event, the Company shall continue without dissolution.

(d) Notwithstanding any other provision of this Agreement, the Member waives any right it might have to agree in writing to dissolve the Company upon the Bankruptcy of the Member or the occurrence of an event that causes the Member to cease to be a Member of the Company.

(e) In the event of a dissolution, the Company shall conduct only such activities as are necessary to wind up its affairs (including the sale of the assets of the Company in an orderly manner), and the assets of the Company shall be applied in the manner, and in the order of priority, pursuant to the Act.

(f) The Company shall terminate when (i) all of the assets of the Company, after payment of or due provision for all debts, liabilities and obligations of the Company shall have been distributed to the Member in the manner provided for in this Agreement; and (ii) the Articles of Dissolution have been filed in the manner required by the Act.

**10.3 Nonrecourse to other Members.** Except as otherwise expressly required by the Act or applicable law, if, upon the dissolution of the Company, the assets of the Company remaining after the payment or discharge of the Company's debts and liabilities are insufficient to return any Capital Contributions to the Member, in whole or in part, the Member shall have no recourse against any Manager or the Company therefor.

## **ARTICLE XI**

### **MISCELLANEOUS**

**11.1 After Acquired Membership Interests.** Whenever the Member acquires any Membership Interests other than Membership Interests owned at the time of execution of this Agreement, such Membership Interests acquired after execution of this Agreement shall be subject to all of the terms and conditions of this Agreement.

**11.2 Additional Actions and Documents.** Each of the parties hereto hereby agrees to take or cause to be taken such further actions, to execute, deliver and file or cause to be executed, delivered and filed such further statements, assignments, agreements, proxies and other instruments, and to use reasonable best efforts to obtain such consents, as may be necessary or as may be reasonably requested in order to fully effectuate the purposes, terms and conditions of this Agreement.

**11.3 Notices.** All notices, requests, demands or other communications which may be or are required to be given, served or sent by any party to any other party pursuant to this Agreement shall be in writing and shall be hand-delivered or mailed by first class, registered or certified mail, return receipt requested, postage prepaid, or transmitted by facsimile transmission to the address of the Member as appears on the Company's books and records, as amended from time to time, and any notices to be given to the Company shall be sent in the same way to the Company's principal office. The Member may designate by notice in writing (with a copy to be sent to the Manager) a new address to which any notice, request, demand or other communication may thereafter be so given. Each notice, request, demand or other communication which shall be transmitted in the manner described above, shall be deemed sufficiently given, served, sent, received or delivered for all purposes at such time as it is delivered to the addressee (with the return receipt, the delivery receipt, the affidavit of messenger being deemed conclusive, but not exclusive, evidence of such delivery) or at such time as delivery is refused by the addressee upon presentation. In computing the number of days for purposes of this Agreement, all days shall be counted, including Saturdays, Sundays and holidays; provided, however, that if the final day of any time period falls on a Saturday, Sunday or holiday, then the final day shall be deemed to be the next day which is not a Saturday, Sunday or holiday.

**11.4 Severability.** If any part of any provision of this Agreement shall be held to be invalid or unenforceable under applicable law, such part shall be ineffective to the extent of such invalidity or unenforceability only, without in any way affecting the remaining parts of such provision or the remaining provisions of this Agreement.

**11.5 Waivers.** Neither the waiver by any of the parties hereto of a breach of or a default under any of the provisions of this Agreement, nor the failure of any of the parties, on one or more occasions, to enforce any of the provisions of this Agreement or to exercise any right or privilege hereunder, shall thereafter be construed as a waiver of any subsequent breach or default, or as a waiver of any such rights, privileges or provisions thereunder.

**11.6 Assignment.** Rights or obligations under this Agreement shall not be assignable by any party hereto without the prior written consent of the other parties hereto except to the extent otherwise expressly permitted or required by this Agreement.

**11.7 Limitation of Benefits.** It is the express intention of the parties hereto that no Person other than the parties hereto is or shall be entitled to rely on or bring any action to enforce any provision of this Agreement against any of the parties hereto, and the covenants, undertakings and agreements set forth in this Agreement shall be solely for the benefit of, and shall be enforceable only by, the parties hereto or their respective successors, personal representatives and permitted assigns.

**11.8 Entire Agreement.** This Agreement, together with the Schedules hereto, constitute the entire Agreement among the parties hereto with respect to the subject matter hereof and supersede each course of conduct previously pursued or acquiesced in, and each oral agreement and representation previously made, by any party with respect thereto, whether or not relied or acted upon.

**11.9 Headings.** Article, Section and subsection headings contained in this Agreement are inserted for convenience of reference only and shall not be deemed to be a part of this Agreement for any purpose, and shall not in any way define or affect the meaning, construction or scope of any of the provisions hereof.

**11.10 Binding Effect.** Subject to any provision hereof restricting assignment, this Agreement shall be binding upon and shall inure to the benefit of the parties hereto and their respective successors, permitted transferees, heirs, devisees, legatees, personal representatives and permitted assigns. The Member agrees that this Agreement is enforceable against the Member, in accordance with its terms.

**11.11 Governing Law.** This Agreement, the rights and obligations of the parties hereto, and any claims or disputes relating thereto, shall be governed by and construed in accordance with the laws of the State of New York without regard to principles of conflicts of law.

**11.12 Counterparts.** This Agreement may be executed in two or more counterparts, none of which need contain the signatures of all parties and each of which shall be deemed an original.

**11.13 Conflicts of Interest.**

(a) Notwithstanding any provision to the contrary at law or in equity, the Member or a Manager shall be entitled to enter into transactions that may be considered to be competitive with, or a business opportunity that may be beneficial to the Company, it being expressly understood that the Member or Manager may enter into transactions that are similar to the transactions into which the Company may enter.

(b) Notwithstanding any provision to the contrary at law or in equity, the Member or Manager does not violate any duty or obligation to the Company merely because the

Member's or Manager's conduct furthers the Member's or Manager's own interests. No transaction with the Company shall be voidable solely because the Member or Manager has a direct or indirect interest in the transaction if either the transaction is fair to the Company, therein, or the disinterested Manager or Members, knowing the material facts of the transaction and the Manager's or Member's interest therein, authorize, approve, or ratify the transaction.

**11.14 Permission, Consent, Approval or Judgment.** Whenever permission, consent or approval is required for any action as specified in this Agreement, or whenever a party's judgment is to be exercised, such permission, consent or approval shall not be unreasonably withheld or delayed by the parties and such judgment shall be exercised in good faith.

**11.15 Effectiveness.** This Agreement shall be effective as of the date first set forth above.

## EXECUTIVE SUMMARY

### DESCRIPTION

Environmental Data Resources, Inc.'s (EDR) City Directory Abstract is a screening tool designed to assist environmental professionals in evaluating potential liability on a target property resulting from past activities. EDR's City Directory Abstract includes a search and abstract of available city directory data. For each address, the directory lists the name of the corresponding occupant at five year intervals.

Business directories including city, cross reference and telephone directories were reviewed, if available, at approximately five year intervals for the years spanning 1925 through 2013. This report compiles information gathered in this review by geocoding the latitude and longitude of properties identified and gathering information about properties within 660 feet of the target property.

A summary of the information obtained is provided in the text of this report.

Re: Access Authorization  
201 Ellicott Street, Buffalo, New York  
BCP Site Number TBD

To Whom It May Concern:

The City of Buffalo is the owner of the above-referenced site (the "Site").

As title owner of the Site, the City of Buffalo hereby authorizes Ciminelli Real Estate Corporation or its affiliates (or another legal entity designated by it and approved by the City of Buffalo) ("Ciminelli") and Ciminelli's designated contractors and consultants access, in connection with a Brownfield Cleanup Agreement ("BCA") to be entered into for and in connection with the redevelopment of the Site under the New York State Brownfield Cleanup Program ("BCP"), to the Site to perform the required work related to and necessary to secure a Certificate of Completion, including (subject to separate approval by the Common Council of the City of Buffalo) placing an environmental easement on the Site, provided all activities are completed in accordance with a *bona fide* BCA and under the BCP.

Please contact me if you have any questions or require additional information.

Very truly yours,

Brendan R. Mehaffy

## OFFICE OF STRATEGIC PLANNING

Byron W. Brown, *Mayor*

March 6, 2018

Mr. Leonard Skril  
Assistant Commissioner  
New York State Homes and Community Renewal  
535 Washington Street  
Buffalo, NY 14203

Dear Mr. Skril:

The City of Buffalo issued a Request for Proposals in June of 2015 for the redevelopment of a surface lot at 201 Ellicott Street, Ciminelli Real Estate Corporation was selected as the designated developer. The City has been working closely with Ciminelli Real Estate Corporation and supports their application to the New York State Housing Finance Agency to redevelop the parcel. This project will strengthen the city's appeal to new residents and increase the availability of housing options in Downtown Buffalo.

This mixed-use development project will include more than 200 affordable housing units, green space, and a component to increase food access.

Since 2006 there have been more than 2,000 new residential units created Downtown to meet an increased demand for housing. This project will further support the Downtown revitalization efforts currently underway and offers an affordable option for those seeking residence in the Central Business District.

If you have any comments or questions, please do not hesitate to call.

Sincerely,

Brendan R. Mehaffy  
Executive Director

Hello,

C&S Engineers is submitting a new Brownfield Cleanup Program Application for a property located at 201 Ellicott Street and would like the Central branch to act as the document repository for the project. In order for the application to be complete, we would need acknowledgement from the library that you are willing to be the document repository. Please let me know if that is acceptable.

Thank you,

Good afternoon Alayna,

I'm replying on behalf of Carol Batt regarding your request below.

This is to inform you that permission is granted to C&S Companies for the Buffalo and Erie County Public Library to be the repository for all present and future documents and updates that should be made available for public inspection/review. ***You will not need additional future permission.***

Please keep the following in mind:

- ) Documents (including updates) for public inspection/review should be brought in person to the Central Library (second floor Administration Office) or mailed to the attention of Carol Batt, of whom I assist. Documents sent via e-mail will not be accepted. The mailing address is:

**Attention: Carol Ann Batt**  
**Chief Operating Officer**  
**Buffalo and Erie County Public Library**  
**1 Lafayette Square**  
**Buffalo, NY 14203**

- ) Documents for the Central Library (downtown) are made available on the first floor in the Information Services Department usually within 3 days after receipt, not counting weekends.
- ) If you would like document(s) distributed at libraries other than the Central Library (downtown), you will need to send the appropriate quantity of copies with labels regarding their destinations. We will distribution accordingly. We do not make copies for distribution.
- ) It is your choice regarding the format (hard copy and/or disk) you wish to submit. If the document is very large, part in hard copy and part on disk is acceptable. If submitting in both formats, please be sure that they are titled/labeled accordingly. Although CD-ROMs cannot be used on public library computers, if someone brings in their personal laptop, the disc can be viewed in-house. If optional, an alternative is the availability of a provided

link to allow patrons online access to read/review/print. Patrons are not allowed to take the original documents out of the library.

If you still have any questions/concerns, please feel free to contact me by replying to this e-mail or by phone at 716-858-7129. Thank you.

Regards,  
April
