NYSDEC-Charles Gaetano  
Voluntary Remedial Agreement  
(VRA) Index # D6-0001-97-07

Dear Mr. Ouderkirk:

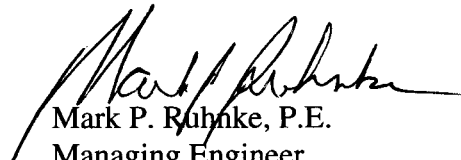

We received on June 3, 2000 RETEC's Completion Report entitled "Phase II of the Remediation of the Roadway Right-of-Way". This has allowed us to complete and submit to you the Closure Report on the remedial activities that have been conducted on the area of the Site that is described in the VRA as the Northern Redevelopment Area.

Enclosed are two copies of the Northern Redevelopment Area Closure Report and one copy of appendix J (sample QA/QC package) for the Department's review and approval. Attorney Barry Kogut will be forwarding to the NYSDEC Attorney Dale Desnoyers the form of the deed restriction that will need to be filed for the Northern Redevelopment Area by Mr. Gaetano following the Departments approval of the Closure Report.

Please call with any questions or if any additional copies are required.

Sincerely,

JACK EISENBACH ENGINEERING, P.C.
