Unless a higher value is declared in writing on this receipt, the shipper hereby declares and agrees that the released value of each package covered by this receipt is $100, which is a reasonable value under the circumstances surrounding the transportation. The rates charged are based upon the released value and not upon the actual value of the shipment. Claims for loss or damage to shipment hereunder insofar as the same is governed thereby. In addition, the maximum value or declared value per package is $50,000 and the maximum carrier liability per package is $50,000. Claims for loss or damage to shipment must be made within nine months after delivery date was stated. The carrier shall not be liable for any special, incidental, or consequential damages. The entry of a C.O.D. amount is not a declaration of value. Customer's check is accepted by UPS as agent for the carrier in payment of C.O.D. only.

Organics Data Qualifiers

U - Compound not detected

J - Compound quantitation less than the sample quantitation limit but greater than zero, also used to qualify tentatively identified compounds (TICs). In both cases these are estimated values

B - Compound found in the extraction prep blank

E - Estimated value, concentration exceeds the instrument calibration range

D - Diluted sample
