NOTICE OF SITE INVESTIGATION AT METROPOLITAN HOSPITAL CENTER

Tuesday, December 27, 2011 to

Friday, January 20, 2012

Con Edison will be conducting an environmental investigation as part of its investigation of the former East 99th Street Manufactured Gas Plant site.

Fieldwork activities will include the collection of soil samples and taking measurements from groundwater monitoring wells. Air monitoring will be performed throughout the work effort.

Con Edison will be conducting work activities in the following areas:

- **Metropolitan Hospital Center – exterior locations at the east end of the hospital building**
- **Metropolitan Hospital Center – loading bay area**

If you have any questions about these activities or Con Edison's program to address former manufactured gas plant sites, please call Con Edison at 877-602-6633. You can also call the New York State Department of Environmental Conservation Project Manager Liz Lukowski at 866-520-2334 or the New York State Department of Health Project Manager Stephanie Selmer at 800-458-1158.
