Re: Acknowledgement of Notice of Modification to modify coverage under SPDES Multi-Sector General Permit for Stormwater Discharges Associated with Industrial Activity (GP-0-12-001)

Dear MAUREEN HART:

This is to acknowledge that the New York State Department of Environmental Conservation (the Department) has received a complete Notice of Modification (NOM) to modify coverage under the State Pollutant Discharge Elimination System (SPDES) Multi-Sector General Permit for Stormwater Discharges Associated with Industrial Activity (MSGP) GP-0-12-001 for the following facility:

R.J. WILLIAMS, INC.  
3716 STATE ROUTE 434  
APALACHIN, NEW YORK 13732  
MSGP Permit Number: NYR00A536

The following modifications have been made to your permit coverage effective as of January 30, 2014:

- Owner/Operator Information has been updated to the following:

JACK D. WILLIAMS  
3716 STATE ROUTE 434 / PO BOX 566  
APALACHIN, NEW YORK 13732-0566

If any future changes need to be made to your general permit you must submit a new NOM. In addition, if you no longer need this general permit you must submit a Notice of Termination (NOT) form to terminate your general permit as soon as possible. If you are selling the facility, it is your responsibility to submit a NOT terminating your coverage and you must notify the new owner, in writing, of the need to obtain the general permit for stormwater discharges.

If you have any questions or require additional information, please contact me at (518) 402-8244 or [rpwaldro@gw.dec.state.ny.us](mailto:rpwaldro@gw.dec.state.ny.us).

Sincerely,

Ryan P. Waldron, P.E.  
MSGP Permit Coordinator
