Lobster Resident Non-Commercial Tag Request Form

Please take the time to complete and return this form along with your Lobster Resident Non-Commercial (LRNC) permit application.

This information will be used to provide you with trap tags. If you are fishing for lobster with lobster traps this year, you must affix these tags to the bridge of all of the lobster traps you are using this year. These tags are to be used only by the holder of the LRNC permit and must not be transferred to other individuals.

All lobster traps that are fished in New York waters must be tagged and attached to **floating buoys** that clearly identify the **LRNC permit number**. In addition to being tagged, **each lobster trap** must also have the **LRNC permit number** clearly and permanently affixed to them.

Law enforcement officers regularly check lobster traps and confiscate traps that do not have the proper tags, permit numbers, and buoys affixed to them.

You may receive your trap tags with your LRNC permit, or they may arrive in the mail soon after you receive your permit. By including this completed form with your payment and completed application form, you will expedite the shipping of the tags to you.

The Lobster Resident Non-Commercial Permit and the lobster trap tags do not authorize you to fish for lobster in federal waters (federal waters are beyond 3 miles of Long Island's south shore ocean beaches). For information on recreational fishing for lobsters in federal waters, please contact the National Marine Fisheries Service at (978) 281-9327.

If you have any questions relating to lobster trap tags, please call (631) 444-0471.
