

Tidal Wetland Complexes

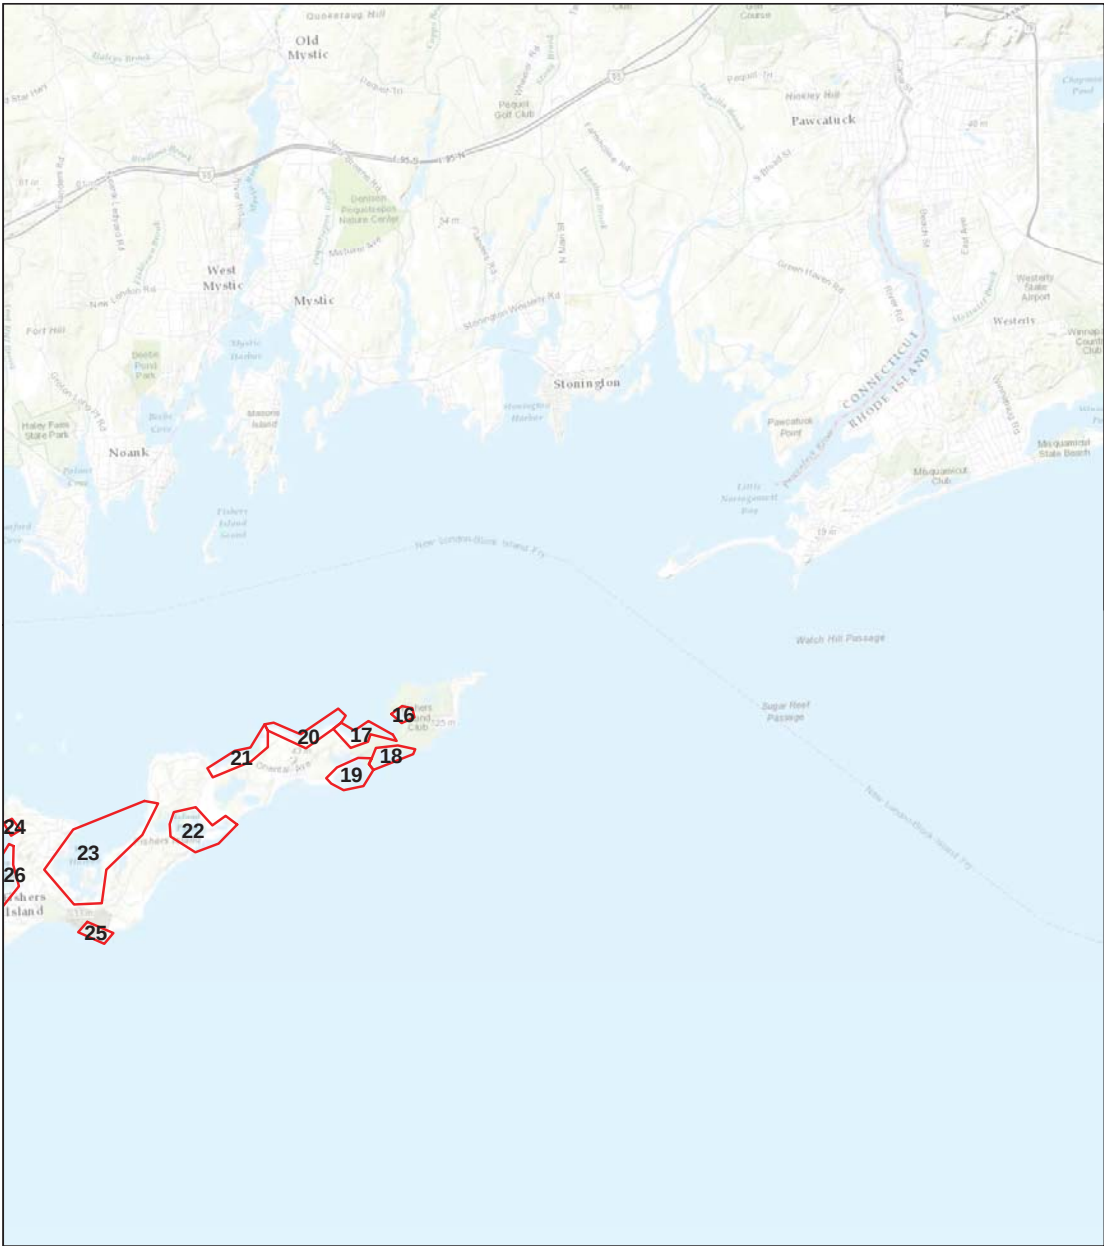

Locator Map

 Tidal Wetland Complex (*Label = Complex ID #*)

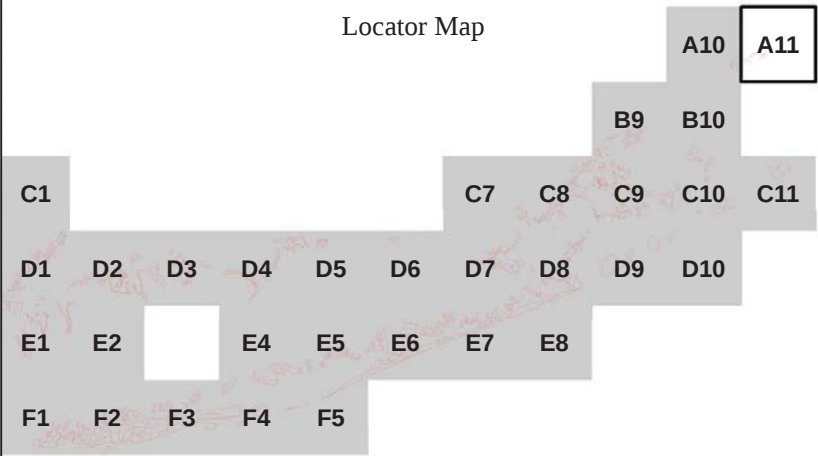

- NOTES
1. Number corresponds to Complex ID # in the Tidal Wetland Complexes Master Database. Please refer to the database for identification of the wetland complex and supplemental information, including location, NYSDEC tidal wetland map number, Significant Coastal Fish & Wildlife Habitat name, and size (area) of complex. Please note that there are gaps in Complex ID numbers.
 2. Tidal Wetland Complexes layer digitized by Land Use Ecological Services, Inc. utilizing existing wetlands data courtesy of NYSDEC, Significant Coastal Fish & Wildlife Habitats information courtesy of NYSDOS, aerial imagery courtesy of Google Earth and ESRI.
 3. Base Map courtesy of ESRI and USGS.
