Lunch break

List of recommendations:

- Reviewed and prioritized list (green, yellow, and red)

Action items/ Next steps:

- The May 19th meeting is cancelled. There are no further CAG meetings scheduled.
- The Steering Committee will provide a weekly update to the CAG about their progress with action items for the CAG members, such as documents to be reviewed, edited, comments requested, etc.
- Adam will share with everyone (email or SharePoint) the revised preamble in the next 7-10 days.
- The steering committee will craft a draft to share with the rest of the CAG, target timeline is approx. one month.

Next meeting:

- CAG agreed to meet in person again.
- Once the steering committee gives the green light, DEC will schedule the next in-person meeting.
- The meeting will likely be in June. Location in the Catskills to be determined.
- DEC will send out a Doodle Poll with several dates and will select the one when most people are available.
