

## 6 NYCRR Part 199

### Statement in Lieu of a Job Impact Statement

The proposed amendments to 6 NYCRR Part 199 will address improving and sustainably managing New York's forest resources and lessening the administrative burden placed on participants and Department staff. The proposed amendments are intended to improve forestry outcomes and to lessen the administrative burden on current enrollees and the Department.

As a result, a Job Impact Statement is not required and is not submitted because the proposal will have no substantial adverse impact on existing or future jobs and employment opportunities.
