

6 NYCRR Part 199

Statement in Lieu of a Rural Area Flexibility Analysis

The proposed amendments to 6 NYCRR Part 199 will address improving and sustainably managing New York's forest resources and lessening the administrative burden placed on participants and Department staff. The proposed amendments are intended to improve forestry outcomes and to lessen the administrative burden on current enrollees and the Department.

As a result, a Rural Area Flexibility Analysis is not submitted with these regulations because the proposal will not impose any additional reporting, record-keeping or other compliance requirements on rural areas.
