

Pharaoh Lake Wilderness - Sucker Brook Trail

Sucker Brook Trail extends 7.5 miles from the Adirondack Trailhead to the intersection of trails at the outlet of Pharaoh Lake. The trail ascends 510 feet in the first four miles from the trailhead. It then descends 375 feet in 0.5 mile before climbing 300 feet in 0.9 mile. The trail descends 150 feet, climbs 140 feet, and then descends 160 feet to the outlet in the last 1.5 miles.
