HEARINGS AND MEDIATION SERVICES

Dear Honorable Judge McClymonds:

I am writing to you to express my support for the expansion of the CWM Chemical Services Landfill in Niagara County, NY. This facility is a benefit in the following ways:

- CWM provides well-paying jobs to local citizens and is a supporter of the local companies in the area. They provide significant revenues for the county that aid in funding our schools, hospitals, and towns. In addition, all of us in Western New York benefit from the company's support to charitable organizations.
- CWM is a highly regulated facility that is needed here in Western New York. It provides safe and affordable waste disposal that is strictly regulated at both the State and Federal levels.
- CWM is looking to invest heavily in this region with this project. I respectfully encourage you to support CWM. The citizens and businesses of Niagara County need CWM, and they deserve your support.

Thank you,

HEARINGS AND MEDIATION SERVICES

Dear Judge McClymonds,

Regarding the proposed expansion of CWM Chemical Services, LLC., I wish to express my full support. As an area resident and taxpayer, I support local industry that provides a positive influence on our area. CWM is a great example of this through their donations to charities and support of our local towns and schools. CWM provides jobs through direct employment of local people in the community and contracting with local companies that support their operations. CWM provides a positive influence on the environment by disposing and treating hazardous material in a safe and effective manner. This process is heavily regulated and monitored for the protection of myself, my community, and my environment.

They are a leader in their field and deserve our government's support. I respectfully request that this project receive your full backing so that our local economy can continue to grow and thrive.

Thank you for your time and consideration.

Sincerely,

August 20, 2014

Dear Judge McClymonds,

I would like to acknowledge that CWM Chemical Services, LLC has been supportive of our organization.

Over the past several years they have supported our local Smelt Festival and have invited us to be a part of the Annual Open House held at their site.

Recognizing that the Siting Board, as part of its criteria, looks for impacts to the community, please note that our organization has positively benefitted from contributions made by CWM Chemical Services, LLC.

Sincerely,

Paul E. Jackson President
