c. Proposed site changes:
The 2010 WSP limits the City's acquisitions in the Catskill/Delaware watershed to 106,712 acres for the duration of that permit. Since January 1, 2010, the City has acquired permanent real property interests totaling 66,843 acres under all City-funded acquisition programs. The City is not seeking to increase the current WSP's overall acreage allowance.
