

## Contract Operations for Wastewater Treatment Plants

The information in the table below is intended to help a community or wastewater treatment plant owner find an appropriately certified operator as required by Part 650, Qualifications of Operators of WWTPs. The following table is a listing of people or companies that we know provide contract operation services at wastewater treatment plants. This is in no way any form of endorsement by DEC. We realize that this list may not be comprehensive. If a company or person would like to be added to this list please contact the Bureau of Water Compliance at (518) 402-8177.
