**NOTES:**

- \* Area outside Adirondack Park only. No information is available for filed counties within the Adirondack Park except the filing dates listed below.

CLINTON	22-Jul-94	LEWIS	04-May-95
ESSEX	26-Apr-89	ONEIDA	04-May-95
HAMILTON	26-Mar-86	WARREN	10-Dec-87
- "Number of Wetlands" total adjusted to reflect approximately 200 wetlands located in more than one county.
- "Percent of County in Wetland" based on 1994 NYS Statistical Yearbook and includes waterbodies smaller than 40 acres and canals & streams less than 1/8 mile wide.
- Regulated Wetland Area excludes upland, waterbody and tidal wetland 'inclusions' that exist within the freshwater wetland boundary, which may still be regulated.
- \*\*Indicates counties with map amendments underway. Includes map amendments filed or officially initiated prior to date of chart.
- Number of landowners determined at time of filing except where more current information is available.
