| SECTION 2B MOBILE CRUSHERS - END-OF-LIFE VEHICLES  • Provide the number of ELVs crushed from January 1 to December 3:   | (ELVs) PROCESSED  |
|   | NIA               |
| Provide the number of ELVs crushed from January 1 to December 3:  | NIA               |
| <ul> <li>Provide the number of ELVs crushed from January 1 to December 3:</li> <li>Provide the names of each facility where you crushed decommissioned ELVs</li> </ul>  | NIA               |
| Provide the number of ELVs crushed from January 1 to December 3:  Provide the names of each facility where you crushed decommissioned ELVs.  1)  2)   | NIA               |
| Provide the number of ELVs crushed from January 1 to December 3:  Provide the names of each facility where you crushed decommissioned ELVs.  1)  2)  3)   | NIA               |

## **SECTION 3 - WASTE FLUIDS RECOVERED**

Complete this table by reporting <u>volumes</u> of End-of-Life Vehicle (ELV) waste fluids managed at the facility during the reporting period. <u>Qualitative responses (i.e.  $\sqrt{s}$  or X's) are not acceptable</u>. Report only fluids generated from dismantling operations (not general car repair, etc.).

|   |  | Fluid                            | Volume                        |                    | Destination Name & Address  |
|---|--|----------------------------------|-------------------------------|--------------------|---|
| Waste Fluid<br>Recovered                | Used<br>on-site<br>(oil heater,<br>etc.) | Stored<br>on-site at<br>year-end | Sold/<br>Recycled<br>off-site | Disposed off-site* | (Indicate permitted facility or permitted Part 364 transporter accepting waste fluids.) |
| Refrigerant (pounds)                    |  |                                  |                               |                    |   |
| Used Oil**<br>(gallons)                 |  |                                  | 4090                          |                    | Speedy Oi 1 Robins  |
| Diesel Fuel<br>(gallons)                |  |                                  | 700                           |                    | Speedy OIT RECOVERY   |
| Gasoline<br>(gallons)                   |  |                                  | 29,992                        |                    | Green Honzan<br>Broderick Industries  |
| Engine Coolant/<br>Antifreeze (gallons) |  |                                  | 275                           |                    | Sparayour Curp  |
| WindowWashing<br>Fluid (gallons)        |  |                                  |                               |                    |   |
| Other (specify)                         |  |                                  |                               |                    |   |
|   |  |                                  |                               |                    |   |

<sup>\*</sup> Any fluids disposed must undergo a hazardous waste determination and proper handling, storage, and disposal, if hazardous.

<sup>\*\*</sup> Includes Engine Oil, Transmission Fluid, Axle Fluids, Hydraulic Fluid, Power Steering Fluid, Brake Fluid, etc.

# **SECTION 4 – SCRAP METAL**

Complete this table by reporting the amount of metal received, stored and sent off site, by the facility, during the reporting

| Constant Types   Constant Co |  | Received   | Stored On Site | Sent Off Site | Destination f Site        |      |      |  |  |
|--|--|--|----------------|---------------|---------------------------|------|------|--|--|
